§ 631.17

as long as these patrols are in accordance with applicable treaties and Status of Forces Agreements.

(c) Military police personnel selected for off-post patrols must be experienced in law enforcement and have mature judgment. They must be thoroughly familiar with all applicable agreements and implementing standard operating procedures. They must understand the implications of the Posse Comitatus Act as it pertains to military law enforcement personnel assisting local law enforcement agencies.

(d) At a minimum, instructions to military police assigned to off-post patrols will specifically state that if they accompany civil police, they will do so for the sole purpose of enforcing the UCMJ among persons subject to the code. Their instructions will also specifically state that they are under the command and directly responsible to their military superiors and that they exercise no authority over the civil police or the civil populace. Accordingly, military police should be instructed that they are not to exercise any authority in a case of misconduct or apparent law violation unless the person concerned has been identified as a member of the military service. However, military law enforcement personnel may come to the aid of civil police in order to prevent the commission of a felony or injury to a civilian police officer.

§ 631.16 Policy (for Navy only).

(a) Off-base law enforcement activities by naval personnel (CONUS and Hawaii) shall be limited to liaison functions with civilian law enforcement agencies and courts and to the acceptance of "courtesy turnovers."

(b) The court liaison function is limited to the provision of an official Navy point of contact for the courts, to the provision of advice for individuals and local commands, and to court appearance with individuals from deployed commands.

(c) Courtesy turnovers will be limited to those persons whose behavior and attitude are acceptable and who desire to be returned to the custody of their parent command.

(d) Courtesy turnovers will be accepted from jails, police stations, etc., but

not directly from police officers on the scene of an incident.
