

(ii) With an opportunity for a hearing.

(2) The hearing described in paragraph (d)(1)(ii) of this section consists of an opportunity to meet with the Assistant Secretary for the Office of Special Education and Rehabilitative Services to demonstrate why the Department should not make a referral for enforcement.

(e) *Divided State agency responsibility.* For purposes of this part, if responsibility for ensuring that the requirements of Part B of the Act or this part are met with respect to children with disabilities who are convicted as adults under State law and incarcerated in adult prisons is assigned to a public agency other than the SEA pursuant to §300.600(d), and if the Secretary finds that the failure to comply substantially with the provisions of Part B of the Act or this part are related to a failure by the public agency, the Secretary takes one of the enforcement actions described in paragraph (b) of this section to ensure compliance with Part B of the Act and this part, except—

(1) Any reduction or withholding of payments to the State under paragraph (b)(1) of this section is proportionate to the total funds allotted under section 611 of the Act to the State as the number of eligible children with disabilities in adult prisons under the supervision of the other public agency is proportionate to the number of eligible individuals with disabilities in the State under the supervision of the State educational agency; and

(2) Any withholding of funds under paragraph (e)(1) of this section is limited to the specific agency responsible for the failure to comply with Part B of the Act or this part.

(Authority: 20 U.S.C. 1416)

**§ 300.588 [Reserved]**

**§ 300.589 Waiver of requirement regarding supplementing and not supplanting with Part B funds.**

(a) Except as provided under §§300.232–300.235, funds paid to a State under Part B of the Act must be used to supplement and increase the level of Federal, State, and local funds (including funds that are not under the direct control of SEAs or LEAs) expended for

special education and related services provided to children with disabilities under Part B of the Act and in no case to supplant those Federal, State, and local funds. A State may use funds it retains under §300.602 without regard to the prohibition on supplanting other funds (see §300.372).

(b) If a State provides clear and convincing evidence that all eligible children with disabilities throughout the State have FAPE available to them, the Secretary may waive for a period of one year in whole or in part the requirement under §300.153 (regarding State-level nonsupplanting) if the Secretary concurs with the evidence provided by the State.

(c) If a State wishes to request a waiver under this section, it must submit to the Secretary a written request that includes—

(1) An assurance that FAPE is currently available, and will remain available throughout the period that a waiver would be in effect, to all eligible children with disabilities throughout the State, regardless of the public agency that is responsible for providing FAPE to them. The assurance must be signed by an official who has the authority to provide that assurance as it applies to all eligible children with disabilities in the State;

(2) All evidence that the State wishes the Secretary to consider in determining whether all eligible children with disabilities have FAPE available to them, setting forth in detail—

(i) The basis on which the State has concluded that FAPE is available to all eligible children in the State; and

(ii) The procedures that the State will implement to ensure that FAPE remains available to all eligible children in the State, which must include—

(A) The State's procedures under §300.125 for ensuring that all eligible children are identified, located and evaluated;

(B) The State's procedures for monitoring public agencies to ensure that they comply with all requirements of this part;

(C) The State's complaint procedures under §§ 300.660–300.662; and

## § 300.600

## 34 CFR Ch. III (7–1–02 Edition)

(D) The State's hearing procedures under §§ 300.507–300.511 and 300.520–300.528;

(3) A summary of all State and Federal monitoring reports, and State complaint decisions (see §§ 300.660–300.662) and hearing decisions (see §§ 300.507–300.511 and 300.520–300.528), issued within three years prior to the date of the State's request for a waiver under this section, that includes any finding that FAPE has not been available to one or more eligible children, and evidence that FAPE is now available to all children addressed in those reports or decisions; and

(4) Evidence that the State, in determining that FAPE is currently available to all eligible children with disabilities in the State, has consulted with the State advisory panel under § 300.650, the State's parent training and information center or centers, the State's protection and advocacy organization, and other organizations representing the interests of children with disabilities and their parents, and a summary of the input of these organizations.

(d) If the Secretary determines that the request and supporting evidence submitted by the State makes a prima facie showing that FAPE is, and will remain, available to all eligible children with disabilities in the State, the Secretary, after notice to the public throughout the State, conducts a public hearing at which all interested persons and organizations may present evidence regarding the following issues:

(1) Whether FAPE is currently available to all eligible children with disabilities in the State.

(2) Whether the State will be able to ensure that FAPE remains available to all eligible children with disabilities in the State if the Secretary provides the requested waiver.

(e) Following the hearing, the Secretary, based on all submitted evidence, will provide a waiver, in whole or in part, for a period of one year if the Secretary finds that the State has provided clear and convincing evidence that FAPE is currently available to all eligible children with disabilities in the State, and the State will be able to ensure that FAPE remains available to

all eligible children with disabilities in the State if the Secretary provides the requested waiver.

(f) A State may receive a waiver of the requirement of section 612(a)(19)(A) and § 300.154(a) if it satisfies the requirements of paragraphs (b) through (e) of this section.

(g) The Secretary may grant subsequent waivers for a period of one year each, if the Secretary determines that the State has provided clear and convincing evidence that all eligible children with disabilities throughout the State have, and will continue to have throughout the one-year period of the waiver, FAPE available to them.
