[58 FR 40959, July 30, 1993, as amended at 64 FR 12536, Mar. 12, 1999]

§ 303.404 Parent consent.

(a) Written parental consent must be obtained before—

(1) Conducting the initial evaluation and assessment of a child under § 303.322; and

(2) Initiating the provision of early intervention services (see § 303.342(e)).

(b) If consent is not given, the public agency shall make reasonable efforts to ensure that the parent—

(1) Is fully aware of the nature of the evaluation and assessment or the services that would be available; and

(2) Understands that the child will not be able to receive the evaluation and assessment or services unless consent is given.

(Authority: 20 U.S.C. 1439)

NOTE 1: In addition to the consent requirements in this section, other consent requirements are included in (1) § 303.460(a), regarding the exchange of personally identifiable information among agencies, and (2) the confidentiality provisions in the regulations under part B of the Act (34 CFR 300.571) and 34 CFR part 99 (Family Educational Rights and Privacy), both of which apply to this part.

NOTE 2: Under § 300.504(b) of the part B regulations, a public agency may initiate procedures to challenge a parent's refusal to consent to the initial evaluation of the parent's child and, if successful, obtain the evaluation. This provision applies to eligible children under this part, since the part B evaluation requirement applies to all children with disabilities in a State, including infants and toddlers.

§ 303.405 Parent right to decline service.

The parents of a child eligible under this part may determine whether they, their child, or other family members will accept or decline any early intervention service under this part in accordance with State law, and may decline such a service after first accepting it, without jeopardizing other early intervention services under this part.
