

(c) The State licensing agency shall further establish in writing and maintain policies which have been developed with the active participation of the State Committee of Blind Vendors and which govern the duties, supervision, transfer, promotion, and financial participation of the vendors. The State licensing agency shall also establish procedures to assure that such policies have been explained to each blind vendor.

§ 395.8 Distribution and use of income from vending machines on Federal property.

(a) Vending machine income from vending machines on Federal property which has been disbursed to the State licensing agency by a property managing department, agency, or instrumentality of the United States under § 395.32 shall accrue to each blind vendor operating a vending facility on such Federal property in each State in an amount not to exceed the average net income of the total number of blind vendors within such State, as determined each fiscal year on the basis of each prior year's operation, except that vending machine income shall not accrue to any blind vendor in any amount exceeding the average net income of the total number of blind vendors in the United States. No blind vendor shall receive less vending machine income than he was receiving during the calendar year prior to January 1, 1974, as a direct result of any limitation imposed on such income under this paragraph. No limitation shall be imposed on income from vending machines, combined to create a vending facility, when such facility is maintained, serviced, or operated by a blind vendor. Vending machine income disbursed by a property managing department, agency or instrumentality of the United States to a State licensing agency in excess of the amounts eligible to accrue to blind vendors in accordance with this paragraph shall be retained by the appropriate State licensing agency.

(b) The State licensing agency shall disburse vending machine income to blind vendors within the State on at least a quarterly basis.

(c) Vending machine income which is retained under paragraph (a) of this section by a State licensing agency shall be used by such agency for the establishment and maintenance of retirement or pension plans, for health insurance contributions, and for the provision of paid sick leave and vacation time for blind vendors in such State, if it is so determined by a majority vote of blind vendors licensed by the State licensing agency, after such agency has provided to each such vendor information on all matters relevant to such purposes. Any vending machine income not necessary for such purposes shall be used by the State licensing agency for the maintenance and replacement of equipment, the purchase of new equipment, management services, and assuring a fair minimum return to vendors. Any assessment charged to blind vendors by a State licensing agency shall be reduced pro rata in an amount equal to the total of such remaining vending machine income.

§ 395.9 The setting aside of funds by the State licensing agency.

(a) The State licensing agency shall establish in writing the extent to which funds are to be set aside or caused to be set aside from the net proceeds of the operation of the vending facilities and, to the extent applicable, from vending machine income under § 395.8(c) in an amount determined by the Secretary to be reasonable.

(b) Funds may be set aside under paragraph (a) of this section only for the purposes of:

(1) Maintenance and replacement of equipment;

(2) The purchase of new equipment;

(3) Management services;

(4) Assuring a fair minimum of return to vendors; or

(5) The establishment and maintenance of retirement or pension funds, health insurance contributions, and provision for paid sick leave and vacation time, if it is so determined by a majority vote of blind vendors licensed by the State licensing agency, after such agency provides to each such vendor information on all matters relevant to such proposed purposes.
