

in §403.130, unless the State board determines pursuant to §403.201(a)(3) that a broader evaluation is required. A recipient may conduct the evaluation required under this paragraph by evaluating either the entire population of participants or a representative sample of participants.

(2) The annual evaluation must be based on the standards and measures developed by the State board in accordance with §§403.201 and 403.202, including any modifications made by the recipient in accordance with paragraph (b) of this section.

(b)(1) Each recipient may modify the State standards and measures based on—

(i) Economic, geographic, or demographic factors; or

(ii) The characteristics of the populations to be served.

(2) Modifications must conform to the assessment criteria contained in the State plan.

(c) Each recipient, as part of the annual evaluation required in paragraph (a) of this section, and with the full participation of representatives of special populations, shall—

(1) Identify and adopt strategies to overcome barriers that are resulting in lower rates of access to, or success in, vocational education programs for members of special populations; and

(2) Evaluate the progress of individuals who are members of special populations.

(d) Each recipient, as a part of the annual evaluation required in paragraph (a) of this section, shall evaluate its progress in providing vocational education students with strong experience in and understanding of all aspects of the industries the students are preparing to enter.

(e) Each recipient may use funds awarded under a basic program listed in §403.60 or a special program listed in §403.130 to support the cost of conducting the evaluation required under paragraphs (a) through (d) of this section to the extent that the costs are—

(1) Reasonable and necessary;

(2) Related to the purposes for which the funds were awarded; and

(3) Consistent with applicable requirements, such as the requirement in §403.196 to use funds awarded under

title II of the Act to supplement, and not to supplant, State and local funds.

§403.192 What are the requirements for program improvement?

(a) If, beginning not less than one year after implementing the program evaluation required in §403.191, a recipient determines, through its annual evaluation, that it is not making substantial progress in meeting the standards and measures developed by the State under §§403.201 and 403.202, the recipient shall develop a plan for program improvement for the succeeding school year.

(b) The plan must be developed in consultation with teachers, parents, and students concerned with or affected by the program, and must describe how the recipient will identify and modify projects, services, and activities receiving assistance under the programs listed in §§403.60 and 403.130 that are in need of improvement, including a description of—

(1) Vocational education and career development strategies designed to achieve progress in improving the effectiveness of the recipient's projects, services, and activities receiving assistance under the programs listed in §§403.60 and 403.130 evaluated under §403.191(a)(1); and

(2) If necessary, the strategies designed to improve supplementary services provided to individuals who are members of special populations.

§403.193 What are the information requirements regarding special populations?

(a)(1) Each local educational agency that receives funds under Title II of the Act shall provide to students who are members of special populations and their parents information concerning—

(i) The opportunities available in vocational education;

(ii) The requirements for eligibility for enrollment in those vocational education programs;

§ 403.194

(iii) Special courses that are available;

(iv) Special services that are available;

(v) Employment opportunities; and

(vi) Placement.

(2) Each area vocational education school or intermediate educational agency that receives funds under title II of the Act shall provide the information described in paragraph (a)(1) of this section to the students who are members of special populations and their parents in any local educational agency whose allocation was distributed in its entirety under § 403.113 to the area vocational education school or intermediate educational agency.

(b) The information described in paragraph (a)(1) of this section must be provided at least one year before the students enter, or are of an appropriate age for, the grade level in which vocational education programs are first generally available in the State, but in no case later than the beginning of the ninth grade.

(c) Each eligible institution or consortium of eligible institutions that receives funds under Title II of the Act shall—

(1) Provide the information described in paragraph (a)(1) of this section to each individual who requests information concerning, or seeks admission to, vocational education programs offered by the institution or consortium of eligible institutions; and

(2) If appropriate, assist in the preparation of applications relating to that admission.

(d) Information described under paragraph (a)(1) of this section must, to the extent practicable, be in a language and form that parents and students understand.

(e) An eligible recipient is not required by this part to use non-Federal funds to pay the cost of services and activities required by this section and §§ 403.111(a)(2)(i) and (c)(3) and 403.190(b) unless this requirement is imposed by other applicable laws.

§ 403.194 What are the comparability requirements?

(a) A local educational agency may receive an award of Federal funds under the State plan only if—

(1) The local educational agency uses State and local funds to provide services in secondary schools or sites served with Federal funds awarded under the State plan that, taken as a whole, are at least comparable to those services being provided in secondary schools or sites that are not being served with Federal funds awarded under the State plan; or

(2) In the event that the local educational agency serves all its secondary schools or sites with Federal funds awarded under the State plan, the local educational agency uses State and local funds to provide services that, taken as a whole, are substantially comparable in each secondary school or site.

CROSS-REFERENCE: See appendix B to part 403.

(b) The comparability requirements in paragraph (a) of this section do not apply to—

(1) A local educational agency with only one secondary school or site; or

(2) A consortium composed of more than one local educational agency, except that, within a consortium, each local educational agency itself must meet the comparability requirements unless it is exempt under paragraph (b)(1) of this section.

(c)(1) A local educational agency shall develop written procedures for complying with the comparability requirements in paragraph (a) of this section, including a process for demonstrating annually that State and local funds are used to provide services in served schools and sites that are at least comparable to the services provided with State and local funds in schools or sites in the local educational agency that are not served with funds awarded under the State plan.

(2) In reaching the determination as to whether comparability requirements in paragraph (a) of this section were met, the local educational agency's written procedures—
