§ 25.1 Scope.

The regulations in this part are made prescribed and published for the regulation and maintenance of licensed guide service at all national military parks where such service has been established or hereafter may be authorized in the discretion of the Secretary of the Interior upon the recommendation of the Director of the National Park Service.

§ 25.2 License.

(a) No person shall be permitted to offer his services or to act as a guide unless licensed for that purpose by the superintendent. Any person desiring to become a licensed guide shall make application to the superintendent in writing for authority to take the examination for a license as guide.

(b) Guides shall be of good character, in good physical condition, honest, intelligent, tactful, and of good repute. They must be thoroughly familiar with the history of the events which the park commemorates and with the location of all memorials. It is their duty to escort visitors to the various parts of the park and point out different historical features. The story of the guides shall be limited to the historical outlines approved by the superintendent and shall be free from praise or censure.

(c) Examinations will be held at parks where a licensed guide service is authorized, at times to be designated by the Director of the National Park Service, for the purpose of securing a list of eligibles for such service. The examination will consist of an investigation of the character, reputation, intelligence, and ability of the applicants, and of questions designed to test their knowledge of the history of the battle, or features of historical interest, the markings of the park, the rules and regulations promulgated for the government of the park, and the regulations governing the guide service. Examination questions will be prepared under the direction of the Director of the National Park Service, who will likewise supervise the marking of examination papers and the rating of applicants.

(d) The names of applicants who successfully pass the examination will be placed on a list of eligibles and selected

This license will be renewed at the expiration of one year from the date of issue, provided the rules above-mentioned have been fully complied with and services rendered satisfactorily.

Failure to act as a guide for any period exceeding 30 days between June 1 and August 31 automatically suspends this license. Renewal under these conditions will only be made following proper application to and approval by the park superintendent. During other times of heavy visitation, and especially on week ends and holidays, any and all guides are subject to call for duty unless excused by the park superintendent or his representative.

§ 25.3 Supervision; suspensions.

(a) The guide service will operate under the direction of the superintendent or his designated representative. Records will be kept of the efficiency of the guides and of all matters pertaining to the service.

(b) Superintendents are authorized to suspend any guide for violation of the regulations or for conduct prejudicial to the interests of the Government. A full report of the facts attending each suspension will be made to the Director of the National Park Service. The license of a guide who has been suspended indefinitely will not be renewed without the approval of the Director of the National Park Service.

§ 25.4 Schedule of rates.

As the conditions of each park differ with respect to the proper charge for the service rendered to the public, the schedule of rates for observance by the licensed guides at each separate park will be submitted to the Director of the National Park Service for approval. The superintendent will prepare itineraries arranged so as best to observe the different features of the battlefield and submit them with recommendations as to schedule of rates to the Director of the National Park Service for approval.

§ 25.5 Badges and uniforms.

Licensed guides will be furnished with official badges as evidence of their authority, which shall remain the property of the Government and be returned to the superintendent upon relinquishment or revocation of the license as a guide. Where conditions warrant it and its purchase would not prove a hardship on the guides, they may be required to adopt a standard uniform, to be procured at their own expense.
