administrative review decision of the Department of Agriculture.

(d) When an official exercises the discretion in § 251.87(d) or § 251.87(e) of this subpart to review a dismissal or appeal decision, the discretionary review shall be made on the existing appeal record and the lower level Reviewing Officer's appeal decision. The record shall not be reopened to accept additional submissions from any source, including the Reviewing Officer whose appeal decision is being reviewed.

(e) When an official exercises discretion to review an appeal decision, a Reviewing Officer may extend a stay, in whole or in part, during pendency of the discretionary review.

(f) The second level Reviewing Officer shall conclude the review within 30 days of the date of notice issued to an appellant that the lower level decision will be reviewed.

(g) If a discretionary review decision is not issued by the end of the 30-day review period, appellants and intervenors shall be deemed to have exhausted their administrative remedies for purposes of judicial review. In such case, appellants, intervenors, and the lower level Reviewing Officer shall be notified by the discretionary level officer.

(h) The Reviewing Officer shall provide a copy of the decision to all appellants, intervenors, the Deciding Officer, and the lower level Reviewing Officer.
