

Forest Service, USDA

§ 251.59

may, at their option, elect to make either annual payments or payments covering more than one year.

(b) All or part of the fee may be waived by the authorized officer, when equitable and in the public interest, for the use and occupancy of National Forest System land in the following circumstances:

(1) The holder is a State or local government or any agency or instrumentality thereof, excluding municipal utilities and cooperatives whose principal source of revenue from the authorized use is customer charges; or

(2) The holder is a nonprofit association or nonprofit corporation, which is not controlled or owned by profit-making corporations or business enterprises, and which is engaged in public or semi-public activity to further public health, safety, or welfare, except that free use will not be authorized when funds derived by the holder through the authorization are used to increase the value of the authorized improvements owned by the holder, or are used to support other activities of the holder; or

(3) The holder provides without charge, or at reduced charge, a valuable benefit to the public or to the programs of the Secretary; or

(4) When the rental fee is included in the fees for an authorized use or occupancy for which the United States is already receiving compensation; or

(5) When a right-of-way is authorized in reciprocation for a right-of-way conveyed to the United States; or

(6) For rights-of-way involving cost-share roads or reciprocal right-of-way agreements.

(c) No rental fee will be charged when the holder is the Federal government.

(d) No fee shall be charged when the authorization is for a noncommercial group use as defined in § 251.51 of this subpart.

(e) Special use authorizations issued under § 251.53(g) of this part may require as all or a part of the consideration the reconditioning and maintenance of the government-owned or controlled structures, improvements, and land to a satisfactory standard. The total consideration will be based upon the fair market value of the rights and privileges authorized.

(f) Special use authorizations involving government-owned or controlled buildings, structures, or other improvements which require caretakers' services, or the furnishing of special services such as water, electric lights, and clean-up, may require the payment of an additional fee or charge to cover the cost of such services.

(g) Except where specified otherwise by terms of a special use authorization, rental fees may be initiated or adjusted whenever necessary: (1) As a result of fee review, reappraisal; or (2) upon a change in the holder's qualifications under paragraph (b) of this section; and (3) notice is given prior to initiating or adjusting rental fees.

(h) Each ski area authorization issued under the authority of the National Forest Ski Area Permit Act shall include a clause that provides that the Forest Service may adjust and calculate future rental fees to reflect Agency revisions to the existing system for determining fees based on fair market value or to comply with any new fee system for determining fees based on fair market value that may be adopted after issuance of the authorization.

§ 251.60 Termination, revocation, and suspension.

(a) *Grounds for termination, revocation, and suspension.* (1) *Noncommercial group uses.* (i) *Revocation or suspension.* An authorized officer may revoke or suspend a special use authorization for a noncommercial group use only under one of the following circumstances:

(A) Under the criteria for which an application for a special use authorization may be denied under § 251.54(h)(1);

(B) For noncompliance with applicable statutes or regulations or the terms and conditions of the authorization;

(C) For failure of the holder to exercise the rights or privileges granted; or

(D) With the consent of the holder.

(ii) *Administrative or judicial review.* Revocation or suspension of a special use authorization under this paragraph constitutes final agency action and is immediately subject to judicial review.

(iii) *Termination.* A special use authorization for a noncommercial group use terminates when it expires by its own terms. Termination of a special use authorization under this paragraph does not involve agency action and is not subject to administrative or judicial review.

(2) *All other special uses.* (i) *Revocation or suspension.* An authorized officer may revoke or suspend a special use authorization for all other special uses, except an easement issued pursuant to § 251.53 (e) and (l):

(A) For noncompliance with applicable statutes, regulations, or the terms and conditions of the authorization;

(B) For failure of the holder to exercise the rights or privileges granted;

(C) With the consent of the holder; or

(D) At the discretion of the authorized officer for specific and compelling reasons in the public interest.

(ii) *Administrative review.* Except for revocation or suspension of an easement issued pursuant to § 251.53 (e) and (l) of this subpart, a suspension or revocation of a special use authorization under this paragraph is subject to administrative appeal and review in accordance with 36 CFR part 251, subpart C, of this chapter.

(iii) *Termination.* For all special uses except noncommercial group uses, a special use authorization terminates when, by its terms, a fixed or agreed-upon condition, event, or time occurs. Termination of a special use authorization under this paragraph does not involve agency action and is not subject to administrative or judicial review.

(b) For purposes of this section, the authorized officer is that person who issues the authorization or that officer's successor.

(c) A right-of-way authorization granted to another Federal agency will be limited, suspended, revoked, or terminated only with that agency's concurrence.

(d) A right-of-way authorization serving another Federal agency will be limited, suspended, revoked, or terminated only after advance notice to, and consultation with, that agency.

(e) Except when immediate suspension pursuant to paragraph (f) of this section is indicated, the authorized officer shall give the holder written notice of the grounds for suspension or revocation under paragraph (a) of this section and reasonable time to cure any noncompliance, prior to suspension or revocation pursuant to paragraph (a) of this section.

(f) Immediate suspension of a special use authorization, in whole or in part, may be required when the authorized officer deems it necessary to protect the public health or safety or the environment. In any such case, within 48 hours of a request of the holder, the superior of the authorized officer shall arrange for an on-site review of the adverse conditions with the holder. Following this review, the superior officer shall take prompt action to affirm, modify, or cancel the suspension.

(g) The authorized officer may suspend or revoke easements issued pursuant to § 251.53 (e) and (l) of this subpart under the Rules of Practice Governing Formal Adjudicatory Administrative Proceedings instituted by the Secretary under 7 CFR 1.130 through 1.151. No administrative proceeding shall be required if the easement, by its terms, provides that it terminates on the occurrence of a fixed or agreed-upon condition, event, or time.
