§ 3.1 Applicable regulations.

(a) In addition to the regulations contained in this part, title 14 United States Code, title 33 Code of Federal Regulations, title 46 Code of Federal

Regulations, title 49 Code of Federal Regulations, and the laws and regulations of the State within whose exterior boundaries a park area or portion thereof is located shall govern water use, vessels, and their operation and are adopted as a part of these regulations.

(b) As adopted herein, Federal regulations authorizing an action by the “captain of the port” or another officer or employee of the United States Coast Guard, authorize a like action by the superintendent.

§ 3.2 National Park Service distinctive identification.

(a) The distinctive identification insignia of National Park Service vessels shall consist of the following:

(1) Three adjacent diagonal stripes running from the waterline to the gunwale on both port and starboard topsides approximately one-quarter of the length from the bow. The stripes are set at an angle of 30° from the vertical, approximately parallel to the bow. The insignia consists of a broad forest green stripe followed by one narrow white and one narrow forest green stripe. Width of the broad green stripe shall be ½ the vertical distance between gunwale and waterline. The narrow white and green stripes are 8% and 11% the width of the main green stripe respectively.

(2) The National Park Service arrowhead symbol, described in 36 CFR part 11, centered within the broad green diagonal stripe.

(3) The words “National Park Service” in contrasting color to vessel hull and utilized in place of State identification/registration numbers on the bow.

(b) Displaying identifying markings identical to or resembling those prescribed for National Park Service vessels is prohibited.

§ 3.3 Permits.

The superintendent may require a permit for use of a vessel within a park area in accordance with the criteria and procedures of § 1.6 of this chapter.
