

§7.29

for court action for the vacation of the premises.

(b) If upon inspection, any water supply or sewage disposal system is found by the inspecting officer not to be in conformance with established State and county standards and it is found further that there is immediate and severe danger to the public health or the health of the occupants or users, the Superintendent shall post appropriate notices at conspicuous places on such premises, and thereafter, no person shall occupy or use the premises on which the system is located until the Superintendent is satisfied that remedial measures have been taken that will assure compliance of the system with established State and county standards.

(2) *State forest practice laws.* Any person, firm, or corporation harvesting or cutting timber on privately owned lands within that portion of Olympic National Park over which jurisdiction has been ceded by the State of Washington to the United States of America shall comply with the standards concerning forest practices established from time to time by or pursuant to the laws of the State of Washington which would apply to such operations if they were not being conducted in Olympic National Park and personnel of the Park will consult and cooperate with State officials in the administration of this regulation. Although forest practices standards established from time to time by or pursuant to the laws of the State of Washington shall apply, no person, firm, or corporation harvesting timber, on such privately owned lands shall be required to obtain permits or licenses from, or pay fees to, the State of Washington or its political subdivisions in connection with the harvesting or cutting of timber on such lands. Prior to the initiation of harvesting or cutting of timber on privately owned lands over which jurisdiction has been ceded to the United States, such operations shall be registered with the Superintendent of Olympic National Park.

(3) *Conflict with Federal laws.* If the standards established from time to time by or pursuant to the laws of the State of Washington, specified in paragraphs (e) (1) and (2) of this section, are

36 CFR Ch. I (7-1-02 Edition)

lower than or conflict with any established by Federal laws or regulations applicable to privately owned lands within Olympic National Park, the latter shall prevail.

(f) *Snowmobile use.* (1) The use of snowmobiles is prohibited except in areas and on routes designated by the superintendent by the posting of appropriate signs or by marking on a map available at the office of the superintendent, or both. The following routes have been designated for snowmobile use within Olympic National Park:

(i) Staircase Road from the park boundary to the Staircase Ranger Station.

(ii) Whiskey Bend Road from the function of the Elwha Road to the Whiskey Bend trailhead.

(iii) Boulder Creek Road from Glines Canyon Dam to the end of the road.

(iv) North Fork Quinault Road from the end of the plowed portion to the North Fork Ranger Station.

(v) South Shore Road from the end of the plowed portion to the Graves Creek Ranger Station.

§7.29 Gateway National Recreation Area.

(a) *Operation of motor vehicles.* The operation of motor vehicles, other than authorized emergency vehicles, is prohibited outside of established public roads and parking areas, except on beaches and oversand routes designated by the Superintendent by the posting of appropriate signs and identified on maps available at the office of the Superintendent. These beaches and routes will be designated after consideration of the criteria contained in sections 3 and 4 of E.O. 11644, (37 FR 2877) and §4.10(b) of this chapter.

(b) *Off-road vehicle operation.* (1) Operation of motor vehicles, (including the various forms of vehicles used for travel oversand, such as but not limited to,

National Park Service, Interior

§ 7.32

“beach buggies”) on beaches or on designated oversand routes without a permit from the Superintendent is prohibited. Before a permit will be issued, each vehicle will be inspected to assure that it contains the following equipment which must be carried in the vehicle at all times while on the beaches or on the designated oversand routes:

- (i) Shovel;
- (ii) Jack;
- (iii) Tow rope or chain;
- (iv) Board or similar support;
- (v) Low pressure tire gauge.

Prior to the issuance of such permits, operators must show compliance with Federal and State regulations and applicable to licensing, registering, inspecting, and insuring of such vehicles. Such permits shall be affixed to the vehicles as instructed at the time of issuance.

(2) Driving off designated, marked oversand routes or beaches is prohibited.

(3) Vehicles shall not be parked in designated oversand routes or interfere with moving traffic.

(4) When the process of freeing a vehicle which has been stuck results in ruts or holes, the ruts or holes shall be filled by the operator of such vehicle before it is removed from that area.

(5) The operation of a motorcycle on an oversand vehicle route or beach is prohibited.

(6) The Superintendent may establish limits on the number of oversand vehicles permitted on designated oversand routes and beaches when such limitations are necessary in the interest of public safety, protection of the ecological and environmental values of the area, coordination with other visitor uses.

(c) *Public lewdness.* Section 245.00 of the New York Penal Code is hereby adopted and incorporated into the regulations of this part. Section 245.00 provides that:

A person is guilty of public lewdness when he intentionally exposes the private and intimate parts of his body in a lewd manner or commits any other lewd act (a) in a public place, or (b) in private premises under circumstances in which he may readily be observed from either a public place or from

other private premises, and with intent that he be so observed.
