§ 102-85.60 Who can execute an OA?

Authorized GSA and customer agency officials who can commit or obligate the funds of their respective agencies can execute an OA. Higher level signatories may be appropriate from both agencies for space assignments in owned or leased space, that are unusual in size, location, duration, public interest, or other factors. Each agency decides its appropriate signatory level.

§ 102-85.65 How does an OA obligate the customer agency?

An OA obligates the executing customer agency to fund the current-year Rent obligation owed GSA, as well as to reimburse GSA for any other *bona fide* obligations that GSA may have incurred on behalf of the customer agency. § 102-85.70 Are the standard OA terms appropriate for non-cancelable space?

Yes, most of the standard terms apply; however, the right to cancel upon a 4-month (120 day) notice is not available. See § 102-85.35 for the definition of non-cancelable space.

§ 102-85.75 When can space assignments be terminated?

(1) The agency must give GSA written notice at least four months prior to termination.

(2) The agency is responsible for reimbursing GSA for the unpaid balance of the cost of tenant improvements, generally prior to GSA releasing the agency from the space assignment. In the event the customer agency received a rent concession (*e.g.*, free rent) at the inception of the assignment as part of the consideration for the entire lease term, then the amount of the concession applicable to the remaining term must be repaid to GSA.

(3) If the space to be vacated is ready for occupancy by another customer and marketable, GSA accepts the termination of assignment.

(4) If the agency has vacated all of the space and removed all personal property and equipment from the space by the cancellation date in the written notice, the agency will be released effective that date from further Rent payments.

(5) An agency may terminate a GSA space assignment with less than a four-month advance written notice to GSA, if:

(i) Either GSA or the terminating agency has identified another agency customer for the assigned space and that substitute agency wants and is
