(ii) *Suspension* means an action by a Federal awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. § 105-72.102 Effect on other issuances.

For awards subject to this regulation, all administrative requirements of codified program regulations, program manuals, handbooks and other nonregulatory materials which are inconsistent with the requirements of this regulation shall be superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 105-72.103.

§ 105-72.103 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this regulation when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this regulation shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.
