41 CFR Ch. 302 (7-1-02 Edition)

State (specify which): _____
Local (specify which): _____

The above information is true and accurate to the best of my knowledge. I (we) agree to notify the appropriate agency official of any changes to the above (i.e., from amended tax returns, tax audit, etc.) so that appropriate adjustments to the RIT allowance can be made. The required supporting documents are attached. Additional documentation will be furnished if requested.

I (we) further agree that if the 12-month service agreement required by 41 CFR 302-2.13 is violated, the total amount of the RIT allowance will become a debt due the United States Government and will be repaid according to agency procedures.

Employee's signature

Date

Spouse's signature (if filing jointly)¹

Date

¹If a joint filing status is claimed and spouse's income is included, the spouse must sign the statement. If the spouse does not sign the document, earned income will include only the employee's earned income as provided in 41 CFR 302-17.8(d). This condition will not apply if an employee is allowed, under IRS rules, to file a joint return as a surviving spouse.

(b) *Supporting documentation/verification.* The claim for the RIT allowance shall be supported by documentation attached to the voucher and by verification of State and local tax obligations as provided below:

(1) Copies of the appropriate IRS Forms W-2 and, if applicable, the completed IRS Schedule SE (Form 1040) shall be attached to the voucher to substantiate the income amounts shown in the certified statement. Employee (and spouse, if filing jointly) must agree to provide additional documentation to verify income amounts, filing status, and State and local income tax obligations if requested by the agency.

(2) In order to determine or verify whether a particular State or local tax authority imposes a tax on moving expense reimbursements, it is incumbent upon the appropriate agency officials to become familiar with the State and local tax laws that affect their transferring employees. In cases where the taxability of moving expense reimbursements is not clear, an agency may

pay a RIT allowance which reflects only those State and local tax obligations that are clearly imposed under State and local tax law. Once the questionable State or local tax obligations are resolved, agencies may recompute the RIT allowance and make appropriate payment adjustments.

(c) *Fraudulent claims.* A claim against the United States is forfeited if the claimant defrauds or attempts to defraud the Government in connection therewith (28 U.S.C. 2514). In addition, there are two criminal provisions under which severe penalties may be imposed on an employee who knowingly presents a false, fictitious, or fraudulent claim against the United States (18 U.S.C. 287 and 1001). The employee's claim for payment of the RIT allowance shall accurately reflect the facts involved in every instance so that any violation of these provisions will be avoided.

§ 302-17.11 Violation of service agreement.

In the event the employee violates the terms of the service agreement required under §302-2.13, no part of the RIT allowance or the WTA will be paid, and any amounts paid prior to such violation shall be a debt due the United States until they are repaid by the employee.

§ 302-17.12 Advance of funds.

No advance of funds is authorized in connection with the allowance provided in this part.

Wyoming	0	0	0	0

¹ Earned income amounts that fall between the income brackets shown in this table (e.g., \$24,999.45, \$49,999.75) should be rounded to the nearest dollar to determine the marginal tax rate to be used in calculating the RIT allowance.
² If the earned income amount is less than the lowest income bracket shown in this table, the employing agency shall establish an appropriate marginal tax rate as provided in § 302-11.8(e)(2)(ii).
³ This rate applies only to those individuals certifying that they will file under a single status within the States where they will pay income taxes. All other taxpayers, regardless of filing status, will use the other rate shown.
⁴ The income tax rate for Rhode Island is 26.5 percent of Federal income tax liability for all employees. Rates shown as a percent of Federal income tax liability must be converted to a percent of income as provided in § 302-11.8(e)(2)(iii).
⁵ The income tax rate for Vermont is 25 percent of Federal income tax liability for all employees. Rates shown as a percent of Federal income tax liability must be converted to a percent of income as provided in § 302-11.8(e)(2)(iii).
