

§51-5.6

(c) Price changes for commodities and services shall usually apply to orders received by the nonprofit agency on or after the effective date of the change. In special cases, after considering the views of the contracting activity, the Committee may make price changes applicable to orders received by the nonprofit agency prior to the effective date of the change.

(d) To assist the Committee in revising the fair market prices for services on the Procurement List, upon request from the central nonprofit agency, the contracting activity should take the following actions:

(1) Submit to the Department of Labor in a timely fashion a request for wage determination rate.

(2) Provide a copy of the new wage determination rate or the Department of Labor document stating that the wage determination rate is unchanged to the central nonprofit agency at least 60 days before the beginning of the new service period.

(3) Provide to the central nonprofit agency at least 90 days before the beginning of the new service period a copy of the statement of work applicable to the new service period.

(e) If a contracting activity desires packing, packaging, or marking of products other than the standard pack or as provided in the Procurement List, any difference in cost shall be negotiated with the nonprofit agency.

§51-5.6 Shipping.

(a) Except as provided in paragraph (b) of this section, commodities are sold to the Government on an "F.O.B. destination" basis, with delivery being accomplished when the shipment reaches the facility designated by the contracting activity. Time of delivery is when the shipment is released by the carrier and accepted by the contracting activity or its agent. In this delivery method, the nonprofit agency will normally use commercial bills of lading and will be responsible for any loss or damage to the goods occurring before the commodities reach the designated delivery point. The nonprofit agency will prepare and distribute commercial

bills of lading, furnish delivery schedules, designate the carriers, and pay all shipping charges to specified delivery points.

(b) The Committee may determine that certain commodities are to be sold to the Government on an "F.O.B. origin" basis, with delivery being accomplished when a shipment is placed aboard the vehicle of the initial carrier. Time of delivery is when the shipment is released to and accepted by the initial carrier. In this delivery method, the nonprofit agency will normally use Government bills of lading, and responsibility for loss or damage to the goods while in transit passes to the Government at the time the initial carrier accepts a shipment. If the contracting activity fails to furnish a Government bill of lading promptly, such failure shall be considered an excusable delay in delivery.

§51-5.7 Payments.

Payments for products or services of persons who are blind or have other severe disabilities shall be made within 30 days after shipment or receipt of a proper invoice or voucher.

§51-5.8 Violations by entities of the Government.

Any alleged violations of the JWOD Act or these regulations by entities of the Government shall be investigated by the Committee, which shall notify the entity and afford it an opportunity to submit a statement.
