

§ 60-741.45

(v) Measure the contractor's compliance with the affirmative action program's specific obligations.

(2) Where the affirmative action program is found to be deficient, the contractor shall undertake necessary action to bring the program into compliance.

(i) *Responsibility for implementation.* An official of the contractor shall be assigned responsibility for implementation of the contractor's affirmative action activities under this part. His or her identity should appear on all internal and external communications regarding the company's affirmative action program. This official shall be given necessary top management support and staff to manage the implementation of this program.

(j) *Training.* All personnel involved in the recruitment, screening, selection, promotion, disciplinary, and related processes shall be trained to ensure that the commitments in the contractor's affirmative action program are implemented.

§ 60-741.45 Sheltered workshops.

Contracts with sheltered workshops do not constitute affirmative action in lieu of employment and advancement of qualified disabled individuals in the contractor's own work force. Contracts with sheltered workshops may be included within an affirmative action program if the sheltered workshop trains employees for the contractor and the contractor is obligated to hire trainees at full compensation when such trainees become "qualified individuals with disabilities."
