

Public Health Service, HHS

§51d.8

are appropriate to the crisis situation and the plans for community recovery;

(d) Quality control methods in place to assure appropriate services to the target population;

(e) Staff support mechanisms that are available;

(f) Plans for coordination of services with key local, State, Tribal and Federal partners involved in addressing the precipitating event (*e.g.*, emergency management agencies, law enforcement, education agencies, public health agencies, and other agencies active in crisis response); and

(g) An estimate of the length of time for which said services requiring Federal funding will be needed, and the manner in which long-term cases will be referred for continued assistance after Federal funds have ended.

(3) *Organizational Capability.* Applicant is a public entity with demonstrated organizational capacity to deliver services as described in the plan of services. The applicant should also have a demonstrated history of service delivery to the target population within the defined service area for the program. The budget submitted shall provide sufficient justification and demonstrate that it is consistent with the documentation of need and plan of services. This shall include a description of the facilities to be utilized, including plans for securing office space if necessary to the project.

(b) In determining the appropriateness and necessity of funding, the Secretary may consult with other Federal agencies responsible for responding to crisis incidents, including the Readiness, Response and Recovery Directorate within the Federal Emergency Management Agency (FEMA), the Safe and Drug Free Schools Program within the U.S. Department of Education, the Office for Victims of Crime (OVC) within the U.S. Department of Justice, the National Transportation Safety Board (NTSB) within the U.S. Department of Transportation, the Emergency Response Program within the Environmental Protection Agency (EPA), the Bureau of Indian Affairs (BIA) within the U.S. Department of the Interior, the Animal and Plant Health Inspection Service within the U.S. Department of Agriculture, the Indian Health

Service (IHS) within the U.S. Department of Health and Human Services, and other Federal agencies with jurisdiction over specific types of crisis response.

§51d.7 What are the limitations on how award funds may be used?

Unallowable Expenses: The following expenses will not be reimbursed under section 501(m) of the PHS Act:

(1) Major construction costs;

(2) Childcare services, unless provided by the institution or entity providing mental health or substance abuse treatment and integral to the treatment program;

(3) Services outside of the geographic area specified in the application, except to the extent that the precipitating event requires physical relocation of either affected parties or facilities;

(4) Any mental health or substance abuse services not directly related to the mental health or substance abuse emergency;

(5) Any expenses that supplant ongoing local, State, Tribal or Federal expenditures; and

(6) Any other costs unallowable by Federal law or regulation.

§51d.8 Which other HHS regulations apply to these awards?

Several other HHS regulations apply to grants under this part. These include, but are not limited to:
