(1) The degree to which the project would provide the services enumerated in § 56.102(g)(1) and the feasibility of its providing all of such enumerated services by the end of the period of support under section 319(d)(1)(B) of the Act and this subpart;

(2) The degree to which the applicant intends to integrate services supported by a grant under this subpart with health services provided under other federally assisted health service or reimbursement programs or projects;

(6) The extent to which community resources will be utilized by the project; and

(7) Consistent with the other requirements of this part, the degree to which and the manner in which the applicant provides specific health services which the Secretary has, through publication of a notice in the FEDERAL REGISTER, established as services which should receive emphasis by applicants.

(b) The Secretary shall:

(1) Make no more than two grants for the same entity under section 319(d)(1)(B) of the Act;

(2) Not make any grant under section 319(d)(1)(B) to an entity which, for the same project, has been awarded more than one grant under section 319(c) of the Act;

(3) Not make a grant under section 319(d)(1)(B) to an entity which has been awarded a grant under section 319(d)(1)(A) of the Act.
