

§ 60.13

42 CFR Ch. I (10–1–02 Edition)

other information conflict with information available to the lender or holder. When those verification statements or other information conflict with information available to the lender or holder, to indicate that the applicant fails to meet the requirements for deferment, the lender or holder may not approve the deferment until those conflicts are resolved.

(2) For those activities described in paragraphs (b)(1) or (b)(2) of this section, the borrower may request that the Secretary review a decision by the lender or holder denying the deferment by sending to the Secretary copies of the application for deferment and the lender's or holder's denial of the request. However, if information submitted to the lender or holder conflicts with other information available to the lender or holder, to indicate that the borrower fails to meet the requirements for deferment, the borrower may not request a review until such conflicts have been resolved. During the review process, the lender or holder must comply with any requests for information made by the Secretary. If the Secretary determines that the fellowship or educational activity is eligible for deferment and so notifies the lender or holder, the lender or holder must approve the deferment.

(Approved by the Office of Management and Budget under control numbers 0915–0034 and 0915–0108)

[48 FR 38988, Aug. 26, 1983, as amended at 51 FR 30644, Aug. 28, 1986; 53 FR 6097, Feb. 29, 1988; 57 FR 28795, June 29, 1992]

§ 60.13 Interest.

(a) *Rate.* At the lender's option, the interest rate on the HEAL loan may be calculated on a fixed rate or on a variable rate basis. However, whichever method is selected must continue over the life of the loan, except where the loan is consolidated with another HEAL loan.

(1) For all loans made on or after October 22, 1985, for each calendar quarter, the Secretary determines the maximum annual HEAL interest rate by determining the average of the bond equivalent rates reported for the 91-day U.S. Treasury bills auctioned for the preceding calendar quarter, adding 3 percentage points, and rounding that

amount to the next higher one-eighth of 1 percent.

(2) Interest that is calculated on a fixed rate basis is determined for the life of the loan during the calendar quarter in which the loan is executed. It may not exceed the rate determined for that quarter by the Secretary under paragraph (a)(1) of this section.

(3) Interest that is calculated on a variable rate basis varies every calendar quarter throughout the life of the loan as the market price of U.S. Treasury bills changes. For any quarter it may not exceed the rate determined by the Secretary under paragraph (a)(1) of this section.

(4) The Secretary announces the rate determined under paragraph (a)(1) of this section on a quarterly basis through a notice published in the FEDERAL REGISTER.

(b) *Compounding of interest.* Interest accrues from the date the loan is disbursed until the loan is paid in full. Unpaid accrued interest shall be compounded not more frequently than semiannually and added to principal. However, a lender or holder may postpone the compounding of interest before the beginning of the repayment period or during periods of deferment or forbearance and add interest to principal at the time repayment of principal begins or resumes.

(c) *Payment.* Repayment of principal and interest is due when the repayment period begins. A lender or holder must permit a borrower to postpone paying interest before the beginning of the repayment period or during a period of deferment or forbearance. In these cases, payment of interest begins or resumes on the date repayment of principal begins or resumes.

(d) *Usury laws.* No provision of any Federal or State law that limits the rate or amount of interest payable on loans shall apply to a HEAL loan.

[48 FR 38988, Aug. 26, 1983, as amended at 51 FR 30644, Aug. 28, 1986; 57 FR 28795, June 29, 1992]

§ 60.14 The insurance premium.

(a) *General.* (1) The Secretary insures each lender or holder for the losses of principal and interest it may incur in

the event that a borrower dies; becomes totally and permanently disabled; files for bankruptcy under chapter 11 or 13 of the Bankruptcy Act; files for bankruptcy under chapter 7 of the Bankruptcy Act and files a complaint to determine the dischargeability of the HEAL loan; or defaults on his or her loan. For this insurance, the Secretary charges the lender an insurance premium. The insurance premium is due to the Secretary on the date of disbursement of the HEAL loan.

(2) The lender may charge the borrower an amount equal to the cost of the insurance premium. The cost of the insurance premium may be charged to the borrower by the lender in the form of a one-time special charge with no subsequent adjustments required. The lender may bill the borrower separately for the insurance premium or may deduct an amount attributable to it from the loan proceeds before the loan is disbursed. In either case, the lender must clearly identify to the borrower the amount of the insurance premium and the method of calculation.

(3) If the lender does not pay the insurance premium on or before 30 days after disbursement of the loan, a late fee will be charged on a daily basis at the same rate as the interest rate that the lender charges for the HEAL loan for which the insurance premium is past due. The lender may not pass on this late fee to the borrower.

(4) HEAL insurance coverage ceases to be effective if the insurance premium is not paid within 60 days of the disbursement of the loan.

(5) Except in cases of error, premiums are not refundable by the Secretary, and need not be refunded by the lender to the borrower, even if the borrower graduates or withdraws from the school, defaults, dies or becomes totally and permanently disabled.

(b) *Rate.* The rate of the insurance premium shall not exceed the statutory maximum. The Secretary announces changes in the rate of the insurance premium through a notice published in the FEDERAL REGISTER.

(c) *Method of calculation*—(1) *Student borrowers.* For loans disbursed prior to July 22, 1986, the lender must calculate the insurance premium on the basis of the number of months beginning with

the month following the month in which the loan proceeds are disbursed to the student borrower and ending 9 full months after the month of the student's anticipated date of graduation. For loans disbursed on or after July 22, 1986, the insurance premium shall be calculated as a one-time flat rate on the principal of the loan at the time of disbursement.

(2) *Non-student borrowers.* For loans disbursed prior to July 22, 1986, the lender must calculate the insurance premium for nonstudent borrowers on the basis of the number of months beginning with the month following the month in which the loan proceeds are disbursed to the borrower and ending at the conclusion of the month preceding the month in which repayment of principal is expected to begin or resume on the borrower's previous HEAL loans. For loans disbursed on or after July 22, 1986, the insurance premium shall be calculated as a one-time flat rate on the principal of the loan at the time of disbursement.

(3) *Multiple installments.* In cases where the lender disburses the loan in multiple installments, the insurance premium is calculated for each disbursement.

[48 FR 38988, Aug. 26, 1983, as amended at 51 FR 30644 Aug. 28, 1986; 52 FR 746, Jan. 8, 1987; 56 FR 42700, Aug. 29, 1991; 57 FR 28795, June 29, 1992]

§ 60.15 Other charges to the borrower.

(a) *Late charges.* If the borrower fails to pay all of a required installment payment or fails to provide written evidence that verifies eligibility for the deferment of the payment within 30 days after the payment's due date, the lender or holder will require that the borrower pay a late charge. A late charge must be equal to 5 percent of the unpaid portion of the payment due.

(b) *Collection charges.* The lender or holder may also require that the borrower pay the holder of the note for reasonable costs incurred by the holder or its agent in collecting any installment not paid when due. These costs may include attorney's fees, court costs, telegrams, and long-distance phone calls. The holder may not charge
