

Program participant means an individual whose application to the Loan Repayment Program has been approved and whose contract has been accepted and signed by the Secretary.

Qualifying loans means government and commercial loans for actual costs paid for tuition, reasonable educational expenses, and reasonable living expenses relating to the obtaining of a degree in allopathic or osteopathic medicine, dentistry, or other health profession. Such loans must have documentation which is contemporaneous with the training received in a health professions school. If health professions educational loans are refinanced, the original documentation of the loan(s) will be required to be submitted to the Secretary to establish the contemporaneous nature of such loans.

Reasonable educational and living expenses means those educational and living expenses which are equal to or less than the sum of the school's estimated standard student budgets for educational and living expenses for the degree program and for the year(s) during which the Program participant is/was enrolled in the school. However, if the school attended by the Program participant does/did not have a standard student budget or if a Program participant requests repayment for educational and living expenses which are in excess of the standard student budgets described in the preceding sentence, the Program participant must submit documentation, as required by the Secretary, to substantiate the reasonableness of all educational and living expenses incurred by the Program participant. To the extent that the Secretary determines, upon review of the Program participant's documentation, that all or a portion of the educational and living expenses are reasonable, these expenses will qualify for repayment.
