

§ 67.21 Control of data and availability of publications.

Except as otherwise provided in the terms and conditions of the award and subject to the confidentiality requirements of section 903(c) of the PHS Act, section 1142(d) of the Social Security Act, and § 67.20 of this subpart:

(a) All data collected or assembled for the purpose of carrying out health services research, evaluation, demonstration, or dissemination projects supported under this subpart shall be made available to the Administrator, upon request:

(b) All publications, reports, papers, statistics, or other materials developed from work supported, in whole or in part, by an award made under this subpart must be submitted to the Administrator in a timely manner. All such publications must include an acknowledgement that such materials are the results of, or describe, a grant activity supported by AHCPR;

(c) The AHCPR retains a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, use, or disseminate any copyrightable material developed in the course of or under a grant for any purpose consistent with AHCPR's statutory responsibilities, and to authorize others to do so for the accomplishment of AHCPR purposes; and

(d) Except for identifying information protected by section 903(c) of the PHS Act, the Administrator, as appropriate, will make information obtained with AHCPR grant support available, and arrange for dissemination of such information and material on as broad a basis as practicable and in such form as to make them as useful as possible to a variety of audiences, including health care providers, practitioners, consumers, educators, and policymakers.

§ 67.22 Additional conditions.

The Administrator may, with respect to any grant awarded under this subpart, impose additional conditions prior to or at the time of any award when in the Administrator's judgment such conditions are necessary to assure or protect advancement of the approved project, the interest of the public health, or the conservation of grant funds.

Subpart B—Peer Review of Contracts for Health Services Research, Evaluation, Demonstration, and Dissemination Projects

§ 67.101 Purpose and scope.

(a) The regulations of this subpart apply to the peer review of contracts under:

(1) Title IX of the Public Health Service Act to support research, evaluation, demonstration, and dissemination projects, including conferences, on health care services and systems for the delivery of such services; and development of clinical practice guidelines, quality standards, performance measures, and review criteria.

(2) Section 1142 of the Social Security Act to support research on the outcomes, effectiveness, and appropriateness of health care services and procedures, including, but not limited to, evaluations of alternative services and procedures; projects to improve methods and data bases for outcomes and effectiveness research; dissemination of research information and clinical practice guidelines, as well as quality standards, performance measures, and review criteria; conferences; and research on dissemination methods.

(b) The regulations of this subpart also contain provisions respecting confidentiality of research data, control of data, and availability of information.

§ 67.102 Definitions.

Contract proposal means a written offer to enter into a contract submitted to a contracting officer by an individual or non-Federal organization, and including at a minimum a description of the nature, purpose, duration, cost of project and methods, personnel, and facilities to be utilized in carrying out the requirements of the contract.

Peer review group means a panel of experts, as required by section 922(c) of the PHS Act, established to conduct technical and scientific review of contract proposals and to make recommendations to the Administrator regarding the merits of such proposals.

Request for proposals means a Government solicitation to prospective
