

§ 3715.3-3

(d) The location of and reason you need enclosures, fences, gates, and signs intended to exclude the general public;

(e) The location of reasonable public passage or access routes through or around the area to adjacent public lands; and

(f) The estimated period of use of the structures, enclosures, fences, gates, and signs, as well as the schedule for removal and reclamation when operations end.

§ 3715.3-3 How does BLM process the information I submit about my proposed occupancy?

BLM will review all proposed occupancies and all proposed enclosures, fences, gates, or signs intended to exclude the general public to determine if your proposed occupancy or use will conform to the provisions of §§ 3715.2, 3715.2-1 and 3715.5. BLM will complete its review of a proposed occupancy not involving a plan of operations within 30 business days of receipt of the materials, unless it concludes that the determination cannot be made until:

(a) 30 business days after it prepares necessary environmental documents, and

(b) 30 business days after it has complied with section 106 of the National Historic Preservation Act, Section 7 of the Endangered Species Act, and/or other applicable statutes, if applicable.

§ 3715.3-4 How will BLM notify me of the outcome of its review process?

At the conclusion of the review, BLM will make a written determination of concurrence or non-concurrence, and will send it to you. For operations conducted under a plan of operations, BLM will include this written determination in the decision that approves, modifies, or rejects the plan.

§ 3715.3-5 What will BLM's notification include?

(a) BLM will include in each determination of concurrence a statement requiring you to continue to comply with §§ 3715.2, 3715.2-1 and 3715.5.

(b) BLM will specify in each determination of non-concurrence how the proposed occupancy fails to meet the conditions of § 3715.2, § 3715.2-1 or

43 CFR Ch. II (10-1-02 Edition)

§ 3715.5, and will provide you an opportunity to modify the proposed occupancy or appeal the determination under § 3715.9.

§ 3715.3-6 May I begin occupancy if I have not received concurrence from BLM?

If you have not received concurrence from BLM, you must not begin occupancy even though you have submitted, or plan to submit, an amended occupancy proposal or an appeal.

§ 3715.4 What if I have an existing use or occupancy?

(a) By August 18, 1997, all existing uses and occupancies must meet the applicable requirements of this subpart. If not, BLM will either issue you a notice of noncompliance or order any existing use or occupancy failing to meet the requirements of this subpart to suspend or cease under § 3715.7-1. BLM will also order you to reclaim the land under 43 CFR part 3800, subpart 3802 or 3809 to BLM's satisfaction within a specified, reasonable time, unless otherwise expressly authorized.

(b) If you are occupying the public lands under the mining laws on August 15, 1996, you may continue your occupancy for one year after that date, without being subject to the procedures this subpart imposes, if:

(1) You notify BLM by October 15, 1996 of the existence of the occupancy using a format specified by BLM; and

(2) BLM has no pending trespass action against you concerning your occupancy.

(c) The one-year grace period provided in paragraph (b) of this section will not apply if at any time BLM determines that your use or occupancy is not reasonably incident and the continued presence of the use or occupancy is a threat to health, safety or the environment. In this situation, BLM will order an immediate temporary suspension of activities under § 3715.7-1(a).

(d) If you have no existing occupancies, but are engaged in uses of the public lands under the mining law, you are subject to the standards in § 3715.5. BLM will determine if your existing uses comply with those standards during normal inspection visits to the area and during BLM review of notices and

plans of operations filed under 43 CFR part 3800.

§ 3715.4-1 What happens after I give BLM written notification of my existing occupancy?

(a) BLM will visit your site during the normal course of inspection to obtain the information described in § 3715.3-2. After the visit, BLM will make a determination of concurrence or non-concurrence.

(b) You must provide the information described in § 3715.3-2 to BLM. You may provide it either in writing or verbally during a site visit by BLM field staff.

§ 3715.4-2 What if I do not notify BLM of my existing occupancy?

If you do not provide the written notice required in § 3715.4, you will be subject to the enforcement actions of § 3715.7-1, the civil remedies of § 3715.7-2, and the criminal penalties of § 3715.8.

§ 3715.4-3 What if BLM does not concur in my existing use or occupancy?

If BLM determines that all or any part of your existing use or occupancy is not reasonably incident:

(a) BLM may order a suspension or cessation of all or part of the use or occupancy under § 3715.7-1;

(b) BLM may order the land to be reclaimed to its satisfaction and specify a reasonable time for completion of reclamation under 43 CFR part 3800; and

(c) BLM may order you to apply within 30 days after the date of notice from BLM for appropriate authorization under the regulations in 43 CFR Group 2900.

§ 3715.4-4 What if there is a dispute over the fee simple title to the lands on which my existing occupancy is located?

BLM may defer a determination of concurrence or non-concurrence with your occupancy until the underlying fee simple title to the land has been finally determined by the Department of the Interior. During this time, your existing occupancy may continue, subject to § 3715.5(a).

§ 3715.5 What standards apply to my use or occupancy?

(a) Your use or occupancy must be reasonably incident. In all uses and occupancies, you must prevent or avoid “unnecessary or undue degradation” of the public lands and resources.

(b) Your uses must conform to all applicable federal and state environmental standards and you must have obtained all required permits before beginning, as required under 43 CFR part 3800. This means getting permits and authorizations and meeting standards required by state and federal law, including, but not limited to, the Clean Water Act (33 U.S.C. 1251 *et seq.*), Clean Air Act (42 U.S.C. 7401 *et seq.*), and the Resource Conservation and Recovery Act (42 U.S.C. 6901 *et seq.*), as required under 43 CFR part 3800.

(c) Your occupancies must conform to all applicable federal and state environmental standards and you must have obtained all required permits before beginning, as required under this subpart and 43 CFR part 3800. This means getting permits and authorizations and meeting standards required by state and federal law, including, but not limited to, the Clean Water Act (33 U.S.C. 1251 *et seq.*), Clean Air Act (42 U.S.C. 7401 *et seq.*), and the Resource Conservation and Recovery Act (42 U.S.C. 6901 *et seq.*), as required under this subpart and 43 CFR part 3800.

(d) If your prospecting or exploration activities involve only surface activities, you must not place permanent structures on the public lands. Any temporary structures you place on the public lands during prospecting or exploration will be allowed only for the duration of the activities, unless BLM expressly and in writing allows them to remain longer. If your prospecting or exploration activities involve subsurface activities, you may place permanent structures on the public lands, if BLM concurs.

(e) All permanent and temporary structures you place on the public lands must conform with the applicable state or local building, fire, and electrical codes, and occupational safety and health and mine safety standards. If state or local codes require, you must obtain a certificate of occupancy or its equivalent before you begin use
