

IT Security Plan for unclassified information is required.

(b) IT security plans must demonstrate a thorough understanding of NPG 2810.1 and NPD 2810.1 and must include, as a minimum, the security measures and program safeguards planned to ensure that the information technology resources acquired and used by contractor and subcontractor personnel—

(1) Are protected from unauthorized access, alteration, disclosure, or misuse of information processed, stored, or transmitted;

(2) Can maintain the continuity of automated information support for NASA missions, programs, and functions;

(3) Incorporate management, general, and application controls sufficient to provide cost-effective assurance of the systems' integrity and accuracy;

(4) Have appropriate technical, personnel, administrative, environmental, and access safeguards;

(5) Document and follow a virus protection program for all IT resources under its control; and

(6) Document and follow a network intrusion detection and prevention program for all IT resources under its control.

(c) The contractor must be required to develop and maintain an IT System Security Plan, in accordance with NPG 2810.1, for systems for which the contractor has primary operational responsibility on behalf of NASA.

(d) The contracting officer must obtain the concurrence of the Center Chief of Security before granting any contractor requests for waiver of the screening requirement contained in the clause at 1852.204-76.

#### **1804.570 NASA Acquisition Internet Service (NAIS).**

##### **1804.570-1 General.**

The NASA Acquisition Internet Service (NAIS) provides an electronic means for posting procurement synopses, solicitations, and associated information on the NAIS Internet site which in turn, automatically posts relevant information onto the Governmentwide point of entry (GPE).

[66 FR 53546, Oct. 23, 2001]

##### **1804.570-2 Electronic Posting System.**

(a) The NAIS Electronic Posting System (EPS) enables the NASA procurement staff to—

(1) Electronically create and post synopses on the NAIS Internet site and the GPE; and

(2) Post solicitation documents, including solicitation amendments or cancellations, and other procurement information on the NAIS Internet site with linked references on the GPE.

(b) The EPS maintains an on-line index linking the posted synopses and solicitations for viewing and downloading.

(c) The EPS shall be used to—

(1) Create and post all synopses in accordance with FAR part 5 and NFS 1805; and

(2) Post all competitive solicitation files, excluding large construction and other drawings, for acquisitions exceeding \$25,000.

(d) The NAIS is the official site for solicitation postings which in turn, automatically posts relevant information onto the Governmentwide point of entry (GPE). In the event supporting materials, such as program libraries, cannot be reasonably accommodated by the NAIS, Internet sites external to NAIS may be established after coordination with the contracting officer. Such sites must be linked from the NAIS business opportunities index where the solicitation resides. External
