### Subpart 1805.3—Synopsis of Contract Awards

#### 1805.303 Announcement of contract awards. (NASA supplements paragraph (a))

(a)(i) In lieu of the \$3 million threshold cited in FAR 5.303(a), NASA Headquarters public announcement is required for award of contract actions that have a total anticipated value, excluding unexercised options, of \$25 million or greater. This threshold applies to new awards, contract modifications, and option exercises, but not to incremental funding or cost overrun modifications.

(A) For undefinitized contract actions, the not-to-exceed (NTE) or ceiling price value is the face value.

(B) For indefinite delivery, time and material, labor hour, and similar contracts, the estimated amount of the basic contract is the face value. Individual orders up to the face value shall

not be announced regardless of value. However, after the face value is reached, any subsequent modifications or orders of \$25 million or greater must be announced.

(ii) NASA Headquarters public announcement is also required for award of a contract action with a value of less than \$25 million if the contracting officer believes it to have Agency public information implications.

(iii) Contractual instruments requiring Headquarters public announcement shall not be distributed nor shall any source outside NASA be notified of their status until the public announcement procedures in 1805.303-70 have been completed.

#### 1805.303-70 NASA Headquarters public announcement.

(5) Name and address (including zip code) of the contractor;

(6) Principal work performance locations;

(7) Names and addresses of any unsuccessful offerors.

(b) The information in paragraph (a) of this section shall be provided to Code PM before transmitting a letter contract to a contractor for signature.
