cost rate determination procedure where the issues involved would have a significant financial impact on the agency. The NASA participant should be a representative from that installation providing the preponderance of NASA funding. If a determination is made that NASA's participation is not warranted, that decision must be communicated to the cognizant contracting officer (or cognizant Federal agency official).

(ii) When NASA is the cognizant Federal agency, settlement of indirect costs should be conducted by the cognizant NASA contracting officer (normally from the installation providing the preponderance of NASA funding).

1842.708 Quick-closeout procedure.

(a)(2)(ii) The 15 percent parameter does not apply to NASA contracts. Instead, perform a risk analysis that takes into consideration the contractor systems identified in FAR 42.708(a)(2)(ii), as well as the concerns of the cognizant contract auditor, and any other pertinent information.

[62 FR 36228, July 7, 1997]

1842.708-70 NASA quick-closeout procedures.

After a decision is made that the use of quick closeout is appropriate, the contracting officer shall:

(a) Obtain a written agreement from the contractor to participate in the quick-closeout process under FAR 42.708 for the selected contract(s).

(b) Require the contractor to submit a final voucher and a summary of all costs by cost element and fiscal year for the contract(s) in question, as well as a copy of the contractor's final indirect cost rate proposal for each fiscal year quick closeout is involved.

(c) Notify the cognizant audit activity in writing, identify the contract(s), and request: (1) the contractor's indirect cost history covering a sufficient number of fiscal years to see the trend of claimed, audit questioned, and disallowed costs; and (2) any other information that could impact the decision to use quick-closeout procedures. Indirect cost histories should be requested

from the contractor only when the cognizant audit activity is unable to provide the information.

(d) Review the contract(s) for indirect cost rate ceilings and any other contract limitations, as well as the rate history information.

(e) Establish final indirect cost rates using one of the following rates:

(1) The contract's ceiling indirect cost rates, if applicable, and if less than paragraphs (e)(2) through (e)(6) of this section.

(2) The contractor's claimed actual rates adjusted based on the contractor's indirect cost history, if less than paragraphs (e)(3) through (e)(6) of this section.

(3) Recommended rates from the cognizant audit agency, the local pricing office, another installation pricing office, or other recognized knowledgeable source.

(4) The contractor's negotiated billing rates, if less than paragraphs (e)(5) or (e)(6) of this section.

(5) The previous year's final rates.

(6) Final rates for another fiscal year closest to the period for which quick-closeout rates are being established.

(f) If an agreement is reached with the contractor, obtain a release of all claims and other applicable closing documents.

(g) For those contracts where the indirect cost rate negotiation function was delegated or falls under the cognizance of another agency, send a copy of the agreement to that office.

Subpart 1842.8—Disallowance of Costs

1842.803 Disallowing costs after incurrence. (NASA supplements paragraph (b))

(b) Auditor receipt of vouchers. (1) NASA has designated the contract auditor as the contracting officer's representative for—

(A) Reviewing vouchers received directly from contractors;

(B) Approving vouchers for provisional payment and sending them to the disbursing office;

(C) Reviewing completion/final vouchers and sending them to the designated contracting officer for approval.
