(i) Surveillance of any contractor-conducted sales;

(j) Accounting for all contractor inventory reported by the contractor;

(k) Advising and assisting, as appropriate, the contractor, the Supply and Equipment Management Officer (SEMO) and other Federal agencies in all actions relating to the proper and timely disposal of contractor inventory;

(l) Approving the method of sale, evaluating bids, and approving sale prices for any contractor-conducted sales;

(m) Recommending the reasonableness of selling expenses related to any contractor-conducted sales;

(n) Securing antitrust clearance, as required; and

(o) Advising the contracting officer on all property disposal matters.

1845.7207 Declaration of excess property.

A problem often disclosed by system analysis is the failure of a contractor to report Government property not needed in performance of the contract (excess). The property administrator shall fully document and report any such finding to the administrative contracting officer. After a report of excess received from a contractor has been referred to the plant clearance officer for screening and ultimate disposition, the property administrator shall ensure prompt disposition. For centrally reportable plant equipment, the property administrator shall—

(a) Assure the preparation and submission of individual reports required of the contractor;

(b) Verify the permit certifications required by the forms; and

(c) Transmit the report to the NASA Industrial Property Officer.

1845.7208 Closure of contracts.

1845.7208-1 Completion or termination.

Upon completion or termination of a contract, the property administrator shall—

(a) Monitor the actions of the contractor in returning excess Government property not referred to the plant clearance officer; and

48 CFR Ch. 18 (10-1-02 Edition)

(b) Advise the cognizant plant clearance officer as to the existence at a contractor's plant of residual property requiring disposal.

1845.7208-2 Final review and closing of contracts.

(a) When informed that disposition of Government property under a contract has been completed, the property administrator shall perform a final review and sign a determination that—

(1) Disposition of Government property has been properly accomplished and documented;

(2) Adjustment documents, including any request of the contractor for relief from responsibility, have been processed to completion;

(3) Proceeds from disposals or other property transactions, including adjustments, have been properly credited to the contract or paid to the Government as directed by the contracting officer;

(4) All questions regarding title to property fabricated or acquired under the contract have been resolved and appropriately documented; and

(5) The contract property control record file is complete and ready for retirement.

(b) When final review pursuant to paragraph (a) of this section reveals that such action is proper, the property administrator shall accomplish and sign a DD Form 1593, Contract Administration Completion Record, or equivalent.

(c) The executed DD Form 1593 shall be forwarded to the contracting officer, the Property Summary Data Record shall be so annotated, and the contracting officer shall include it in the contract file.

1845.7209 Special subjects.

1845.7209-1 Government property at alternate locations of the prime contractor and subcontractor plants.

(a) Government property provided to a prime contractor may be located at other plants of the prime contractor or at subcontractor locations. The prime contractor is accountable and responsible to the Government for this property.
