19.202 Specific policies.

In order to further the policy in 19.201(a), contracting officers shall comply with the specific policies listed in this section and shall consider recommendations of the agency Director of Small and Disadvantaged Business Utilization, or the Director's designee, as to whether a particular acquisition should be awarded under subpart 19.5, 19.8 or 19.13. The contracting officer shall document the contract file whenever the Director's recommendations are not accepted.

19.202-1 Encouraging small business participation in acquisitions.

Small business concerns shall be afforded an equitable opportunity to compete for all contracts that they can perform to the extent consistent with the Government's interest. When applicable, the contracting officer shall take the following actions:

(a) Divide proposed acquisitions of supplies and services (except construction) into reasonably small lots (not less than economic production runs) to permit offers on quantities less than the total requirement.

(b) Plan acquisitions such that, if practicable, more than one small business concern may perform the work, if the work exceeds the amount for which a surety may be guaranteed by SBA against loss under 15 U.S.C. 694b.

(c) Ensure that delivery schedules are established on a realistic basis that will encourage small business participation to the extent consistent with the actual requirements of the Government.

(d) Encourage prime contractors to subcontract with small business concerns (see subpart 19.7).

(e)(1) Provide a copy of the proposed acquisition package to the SBA procurement center representative at least 30 days prior to the issuance of the solicitation if—

(i) The proposed acquisition is for supplies or services currently being provided by a small business and the proposed acquisition is of a quantity or estimated dollar value, the magnitude of which makes it unlikely that small businesses can compete for the prime contract;

(ii) The proposed acquisition is for construction and seeks to package or consolidate discrete construction projects and the magnitude of this consolidation makes it unlikely that small businesses can compete for the prime contract; or

(iii) The proposed acquisition is for a bundled requirement. (See 10.001(c)(2)(i) for mandatory 30-day notice requirement to incumbent small business concerns.)

(2) The contracting officer also must provide a statement explaining why the—

(iii) Proposed acquisition cannot be structured so as to make it likely that small businesses can compete for the prime contract;

(iv) Consolidated construction project cannot be acquired as separate discrete projects; or

(v) Bundling is necessary and justified.

(3) The 30-day notification process shall occur concurrently with other processing steps required prior to the issuance of the solicitation.

19.202-2 Locating small business sources.

The contracting officer must, to the extent practicable, encourage maximum participation by small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns in acquisitions by taking the following actions:

(a) Include on mailing lists all established and potential small business sources, including those located in labor surplus areas and HUBZones, if the concerns have submitted acceptable applications or appear from other representations to be qualified small business concerns.

(b) Before issuing solicitations, make every reasonable effort to find additional small business concerns, unless

lists are already excessively long and only some of the concerns on the list will be solicited. This effort should include contacting the agency SBA procurement center representative, or if there is none, the SBA.

(c) Publicize solicitations and contract awards through the Government-wide point of entry (see subparts 5.2 and 5.3).

[48 FR 42240, Sept. 19, 1983, as amended at 63 FR 70268, Dec. 18, 1998; 65 FR 60544, Oct. 11, 2000; 66 FR 27413, May 16, 2001]

19.202-3 Equal low bids.

In the event of equal low bids (see 14.408-6), awards shall be made first to small business concerns which are also labor surplus area concerns, and second to small business concerns which are not also labor surplus area concerns.

[60 FR 48261, Sept. 18, 1995]

19.202-4 Solicitation.

The contracting officer must encourage maximum response to solicitations by small business, veteran-owned small business, service-disabled veteran-owned small business, HUBZone small business, small disadvantaged business, and women-owned small business concerns by taking the following actions:

(a) Allow the maximum amount of time practicable for the submission of offers.

(b) Furnish specifications, plans, and drawings with solicitations, or furnish information as to where they may be obtained or examined.

(c) Send solicitations to (1) all small business concerns on the solicitation mailing list, or (2) a pro rata number of small business concerns when less than a complete list is used.

(d) Provide to any small business concern, upon its request, a copy of bid sets and specifications with respect to any contract to be let, the name and telephone number of an agency contact to answer questions related to such prospective contract and adequate citations to each major Federal law or agency rule with which such business concern must comply in performing such contract other than laws or agency rules with which the small business
