

II. Recommendation: Identify the FAR and/or DFARS citations to be revised. Attach as TAB A a copy of the text of the existing coverage, conformed to include the proposed additions and deletions. Indicate deleted coverage with dashed lines through the current words being deleted and insert proposed language in brackets at the appropriate locations within the existing coverage. If the proposed deleted portion is extensive, it may be outlined by lines forming a box with diagonal lines drawn connecting the corners.

III. Discussion: Include a complete, convincing explanation of why the change is necessary and how the recommended revision will solve the problem. Address advantages and disadvantages of the proposed revision, as well as any cost or administrative impact on Government activities and contractors. Identify any potential impact of the change on automated systems, e.g., automated financial and procurement systems. Provide any other background information that would be helpful in explaining the issue.

IV. Collaterals: Address the need for public comment (FAR 1.301(b) and subpart 1.5), the Paperwork Reduction Act, and the Regulatory Flexibility Act (FAR 1.301(c)).

V. Deviations: If a recommended revision of DFARS is a FAR deviation, identify the deviation and include under separate TAB a justification for the deviation that addresses the requirements of 201.402(2). The justification should be in the form of a memorandum for the Director of Defense Procurement, Office of the Under Secretary of Defense (Acquisition, Technology, and Logistics).

(ii) The public may offer proposed revisions of FAR or DFARS by submission of a memorandum, in the format (including all of the information) prescribed in paragraph (d)(i) of this subsection, to the Director of the DAR Council.

### Subpart 201.3—Agency Acquisition Regulations

#### 201.301 Policy.

(a) DoD implementation and supplementation of the FAR is issued in the Defense Federal Acquisition Regulation Supplement (DFARS) under authorization and subject to the authority, direction, and control of the Secretary of Defense.

(b) When FEDERAL REGISTER publication is required for any policy, procedure, clause, or form, the department or agency requesting Under Secretary of Defense (Acquisition, Technology, and Logistics) (USD (AT&L)) approval for use of the policy, procedure, clause, or form (see 201.304(1)) must include an analysis of the public comments in the request for approval.

[56 FR 36284, July 31, 1991, as amended at 60 FR 61591, Nov. 30, 1995; 65 FR 6552, Feb. 10, 2000]

#### 201.303 Publication and codification.

(a)(i) The DFARS is codified under chapter 2 in title 48, Code of Federal Regulations.

(ii) To the extent possible, all DFARS text (whether implemental or supplemental) is numbered as if it were implemental. Supplemental numbering is used only when the text cannot be integrated intelligibly with its FAR counterpart.

(A) Implemental numbering is the same as its FAR counterpart, except when the text exceeds one paragraph, the subdivisions are numbered by skipping a unit in the FAR 1.105–2(b)(2) prescribed numbering sequence. For example, three paragraphs implementing FAR 19.501 would be numbered 219.501(1), (2), and (3) rather than (a), (b), and (c). Three paragraphs implementing FAR 19.501(a) would be numbered 219.501(a) (i), (ii), and (iii) rather than (a) (1), (2), and (3). Further subdivision of the paragraphs follows the prescribed numbering sequence, e.g., 219.501(1)(i)(A)(I)(i).

(B) Supplemental numbering is the same as its FAR counterpart, with the addition of a number of 70 and up or (S–70) and up. Parts, subparts, sections, or subsections are supplemented by the addition of a number of 70 and up. Lower divisions are supplemented by the addition of a number of (S–70) and up. When text exceeds one paragraph, the subdivisions are numbered using the FAR 1.105–2(b)(2) prescribed sequence, without skipping a unit. For example, DFARS text supplementing FAR 19.501 would be numbered 219.501–70. Its subdivisions would be numbered 219.501–70 (a), (b), and (c).
