22.404-8 Notification of improper wage determination before award.

(a) Written notification by the Department of Labor received by the contracting officer prior to award that (1) a solicitation includes the wrong wage determination or the wrong rate schedule or (2) a wage determination is withdrawn by the Department of Labor as a result of a decision by the Wage Appeals Board, shall be effective immediately without regard to 22.404-6.

48 CFR Ch. 1 (10-1-02 Edition)

(b) In sealed bidding, the contracting officer shall proceed in accordance with the following:

(1) If the notification reaches the contracting officer before bid opening, the contracting officer shall postpone the bid opening date, if necessary, to allow a reasonable time to (i) obtain the appropriate determination if a new wage determination is required, (ii) amend the solicitation to incorporate the determination (or rate schedule), and (iii) permit bidders to amend their bids. If the appropriate wage determination does not change any wage rates and would not warrant amended bids, the contracting officer shall amend the solicitation to include the number and date of the new determination.

(a) If a contract is awarded without the required wage determination (i.e., incorporating no determination, containing a clearly inapplicable general wage determination, or containing a project determination which is inapplicable because of an inaccurate description of the project or its location), the contracting officer shall initiate action to incorporate the required determination in the contract immediately upon discovery of the error.
