

General Services Administration

§ 533.211

(b) Acquisition of leasehold interests in real property expected to exceed the simplified lease acquisition threshold.

(a) Describe the nature of the dispute and the relief sought, the contract provisions involved, and any other additional information or comments relating to the dispute considered important.

Subpart 533.2—Disputes and Appeals

§ 533.211 Contracting officer's decision.

(b) Be signed personally by the appellant (the prime contractor making the appeal) or by an officer of the appellant corporation, or member of the appellant firm, or by the contractor's duly authorized representative or attorney.

In addition to the information in FAR 33.211(a)(4)(v), advise the contractor in your written decision that a notice of appeal must:
