In this event, two copies of a list of participating dealers shall accompany this offer, and shall also be included in Contractor's Federal Supply Schedule pricelist.

552.217-70 Evaluation of Options.

As prescribed in 517.208(a), insert the following provision:

EVALUATION OF OPTIONS (AUG 1990)

(a) The Government will evaluate offers for award purposes by determining the lowest base period price. When option year pricing is based on a formula (e.g., changes in the Producer Price Index or other common standard); option year pricing is automatically considered when evaluating the base year price, as any change in price will be uniformly related to changes in market conditions. All options are therefore considered to be evaluated. Evaluation of options will not obligate the Government to exercise the option(s).

(b) The Government will reject the offer if exceptions are taken to the price provisions of the Economic Price Adjustment clause, unless the exception results in a lower maximum option year price. Such offers will be evaluated without regard to the lower option year(s) maximum. However, if the offeror offering a lower maximum is awarded a contract, the award will reflect the lower maximum.

552.217-71 Notice Regarding Option(s).

As prescribed in 517.208(b), insert the following provision:

NOTICE REGARDING OPTION(S) (NOV 1992)

The General Services Administration (GSA) has included an option to [Insert "purchase additional quantities of supplies or services" or "extend the term of this contract" or "purchase additional quantities of supplies or services and to extend the term of this contract"] in order to demonstrate the value it places on quality performance by providing a mechanism for continuing a contractual relationship with a successful Offeror that performs at a level which meets or exceeds GSA's quality performance expectations as communicated to the Contractor, in writing, by the Contracting Officer or designated representative. When deciding whether to exercise the option, the Contracting Officer will consider the quality of the Contractor's past performance under this contract in accordance with 48 CFR 517.207.
