

the performance of work under this agreement. Further, it is agreed that any negligence or alleged negligence of the Government, its officers, agents, servants, and employees, shall not be a bar to a claim for indemnification unless the act or omission of the Government, its officers, agents, servants, and employees is the sole, competent, and producing cause of such claims, loss, damage, injury, and liability. At the option of the contractor, and subject to the approval by the contracting officer of the sources, insurance coverage may be employed as guaranty of indemnification.

(b) *Insurance.* Satisfactory insurance coverage is a condition precedent to award of a contract. In general, a successful bidder must present satisfactory evidence of full compliance with State and local requirements, or those below stipulated, whichever are the greater. More specifically, workman's compensation and employer's liability coverage will conform to applicable State law requirements for the service contemplated, whereas general liability and automobile liability of comprehensive type, shall in the absence of higher statutory minimums, be required in the amounts per vehicle used of not less than \$200,000 per person and \$500,000 per occurrence for bodily injury and \$20,000 per occurrence for property damage. State approved sources of insurance coverage ordinarily will be deemed acceptable to the Veterans' Administration installation, subject to timely certifications by such sources of the types and limits of the coverages afforded by the sources to the bidder. (In those instances where airplane service is to be used, substitute the word "aircraft" for "automobile" and "vehicle" and modify coverage to require aircraft public and passenger liability insurance of at least \$200,000 per passenger and \$500,000 per occurrence for bodily injury, other than passenger liability, and \$200,000 per occurrence for property damage. Coverage for passenger liability bodily injury shall be at least \$200,000 multiplied by the number of seats or passengers, whichever is greater.)

(End of clause)

(b) *Exceptions.* The provisions of this 852.237-71 do not apply to emergency or sporadic ambulance service authorized by VA Manual MP-1, Part II, Chapter 3. *Provided,* That such service is not used solely for the purpose of avoiding entering into a continuing contract. *Provided further,* That such services will be obtained from firms known to carry insurance coverage in accordance with State or local requirements.
