(3) A personal care attendant shall not be charged for complementary paratransit service.

(4) The entity may charge a fare higher than otherwise permitted by this paragraph to a social service agency or other organization for agency trips (i.e., trips guaranteed to the organization).

(d) *Trip purpose restrictions.* The entity shall not impose restrictions or priorities based on trip purpose.

(e) *Hours and days of service.* The complementary paratransit service shall be available throughout the same hours and days as the entity's fixed route service.

(f) *Capacity constraints.* The entity shall not limit the availability of complementary paratransit service to ADA paratransit eligible individuals by any of the following:

(1) Restrictions on the number of trips an individual will be provided;

(2) Waiting lists for access to the service; or

(3) Any operational pattern or practice that significantly limits the availability of service to ADA paratransit eligible persons.

(i) Such patterns or practices include, but are not limited to, the following:

(A) Substantial numbers of significantly untimely pickups for initial or return trips;

(B) Substantial numbers of trip denials or missed trips;

(C) Substantial numbers of trips with excessive trip lengths.

(ii) Operational problems attributable to causes beyond the control of the entity (including, but not limited to, weather or traffic conditions affecting all vehicular traffic that were not anticipated at the time a trip was scheduled) shall not be a basis for determining that such a pattern or practice exists.

(g) *Additional service.* Public entities may provide complementary paratransit service to ADA paratransit eligible individuals exceeding that provided for in this section. However, only the cost of service provided for in this section may be considered in a public

§ 37.133 Subscription service.

(a) This part does not prohibit the use of subscription service by public entities as part of a complementary paratransit system, subject to the limitations in this section.

(b) Subscription service may not absorb more than fifty percent of the number of trips available at a given time of day, unless there is non-subscription capacity.

(c) Notwithstanding any other provision of this part, the entity may establish waiting lists or other capacity constraints and trip purpose restrictions or priorities for participation in the subscription service only.

§ 37.135 Submission of paratransit plan.

(a) *General.* Each public entity operating fixed route transportation service, which is required by § 37.121 to provide complementary paratransit service, shall develop a paratransit plan.

(b) *Initial submission.* Except as provided in § 37.141 of this part, each entity shall submit its initial plan for compliance with the complementary paratransit service provision by January 26, 1992, to the appropriate location identified in paragraph (f) of this section.

(c) *Annual Updates.* Except as provided in this paragraph, each entity shall submit an annual update to its plan on January 26 of each succeeding year.

(1) If an entity has met and is continuing to meet all requirements for complementary paratransit in §§ 37.121–37.133 of this part, the entity may submit to FTA an annual certification of continued compliance in lieu of a plan update. Entities that have submitted a joint plan under § 37.141 may submit a joint certification under this paragraph. The requirements of §§ 37.137 (a) and (b), 37.138 and 37.139 do not apply when a certification is submitted under this paragraph.

(2) In the event of any change in circumstances that results in an entity which has submitted a certification of

§ 37.137

continued compliance falling short of compliance with §§ 37.121–37.133, the entity shall immediately notify FTA in writing of the problem. In this case, the entity shall also file a plan update meeting the requirements of §§ 37.137–37.139 of this part on the next following January 26 and in each succeeding year until the entity returns to full compliance.

(3) An entity that has demonstrated undue financial burden to the FTA shall file a plan update meeting the requirements of §§ 37.137–37.139 of this part on each January 26 until full compliance with §§ 37.121–37.133 is attained.

(4) If FTA reasonably believes that an entity may not be fully complying with all service criteria, FTA may require the entity to provide an annual update to its plan.

(d) *Phase-in of implementation.* Each plan shall provide full compliance by no later than January 26, 1997, unless the entity has received a waiver based on undue financial burden. If the date for full compliance specified in the plan is after January 26, 1993, the plan shall include milestones, providing for measured, proportional progress toward full compliance.

(e) *Plan implementation.* Each entity shall begin implementation of its plan on January 26, 1992.

(f) *Submission locations.* An entity shall submit its plan to one of the following offices, as appropriate:

(1) The individual state administering agency, if it is—

(ii) A small urbanized area recipient of section 9 funds administered by the State;

(iii) A participant in a coordinated plan, in which all of the participating entities are eligible to submit their plans to the State; or

(2) The FTA Regional Office (as listed in appendix B to this part) for all other entities required to submit a paratransit plan. This includes an FTA recipient under section 9 of the FT Act; entities submitting a joint plan (unless they meet the requirements of paragraph (f)(1)(iii) of this section), and a public entity not an FT Act recipient.

Each entity shall develop contacts, mailing lists and other appropriate means for notification of opportunities to participate in the development of the paratransit plan;

(2) *Consultation with individuals with disabilities.* Each entity shall contact individuals with disabilities and groups representing them in the community.
