

Subpart F—Fees

§ 7.41 General.

(a) This subpart prescribes fees for services performed for the public under subparts B and C of this part by DOT.

(b) All terms defined by FOIA apply to this subpart, and the term “hourly rate” means the actual hourly base pay for a civilian employee or, for members of the Coast Guard, the equivalent hourly pay rate computed using a 40-hour week and the member’s normal basic pay and allowances.

(c) This subpart applies to all employees of DOT, including those of non-appropriated fund activities of the Coast Guard and the Maritime Administration.

(d) This subpart does not apply to any special study, special statistical compilation, table, or other record requested under 49 U.S.C. 329(c). The fee for the performance of such a service is the actual cost of the work involved in compiling the record. All such fees received by DOT in payment of the cost of such work are deposited in a separate account administered under the direction of the Secretary, and may be used for the ordinary expenses incidental to providing the information.

(e) This subpart does not apply to requests from record subjects for records about themselves in DOT systems of records, which are determined in accordance with the Privacy Act, as implemented by DOT regulations (49 CFR part 10).

§ 7.42 Payment of fees.

(a) The fees prescribed in this subpart may be paid by check, draft, or money order, payable to the DOT component where fees were incurred, for deposit in the General Fund of the Treasury of the United States, *e.g.* DOT/FAA.

(b) Charges may be assessed by DOT for time spent searching for requested records even if the search fails to locate records or the records located are determined to be exempt from disclosure. In addition, if records are requested for commercial use, DOT may assess a fee for time spent reviewing any responsive records located to determine whether they are exempt from disclosure.

(c) When it is estimated that the search charges, review charges, duplication fees, or any combination of fees that could be charged to the requestor will likely exceed US \$25, the requestor will be notified of the estimated amount of the fees, unless the requestor has indicated in advance his or her willingness to pay fees as high as those anticipated. In cases where a requestor has been notified that actual or estimated fees may amount to more than US \$25, the request will be deemed not to have been received until the requestor has agreed to pay the anticipated total fee. The notice will also inform the requestor how to consult with the appropriate DOT officials with the object of reformulating the request to meet his or her needs at a lower cost.

(d) Payment of fees may be required prior to actual duplication or delivery of any releasable records to a requestor. However, advance payment, *i.e.*, before work is commenced or continued on a request, may not be required unless:

(1) Allowable charges that a requestor may be required to pay are likely to exceed US \$250; or

(2) The requestor has failed to pay within 30 days of the billing date fees charged for a previous request to any part of DOT.

(e) When paragraph (d)(1) of this section applies, the requestor will be notified of the likely cost and, where he/she has a history of prompt payment of FOIA fees, requested to furnish satisfactory assurance of full payment of FOIA fees. Where the requestor does not have any history of payment, he or she may be required to make advance payment of any amount up to the full estimated charges.

(f) When paragraph (d)(2) of this section applies, the requestor will be required to demonstrate that the fee has, in fact, been paid or to pay the full amount owed, including any applicable interest, late handling charges, and penalty charges as discussed in paragraphs (g) and (h) of this section. The requestor will also be required to make an advance payment of the full amount of the estimated fee before processing of a new request or continuation of a pending request is begun.
