

§ 805.735-22

Commission or the Chairman may determine for good cause shown.

§ 805.735-22 Effect of statements on other requirements.

The statements of employment and financial interests and supplementary statements required of employees are in addition to, and not in substitution for, or in derogation of, any similar requirement imposed by law, order, or regulation. The submission of a statement or supplementary statement by an employee does not permit him or any other person to participate in a matter in which his or the other person's participation is prohibited by law, order, or regulation.

§ 805.735-23 Submission of statements by special Government employees.

(a) A special Government employee shall submit a statement of employment and financial interests which reports:

(1) All other employment; and

(2) The financial interests of the special Government employee which the Chairman determines are relevant in the light of the duties he is to perform.

(b) A special Government employee who is a consultant or expert shall submit a statement of employment and financial interests to the Personnel Officer, in the format prescribed by the Managing Director, at the time of his employment, and shall keep his statement current throughout his period of employment by submission of supplementary statements.

(c) The Chairman may waive the requirement in paragraph (a) of this section for the submission of a statement of employment and financial interests in the case of a special Government employee who is not a consultant or an expert when it has been determined that the duties of the position held by the special Government employee are of a nature, and at such a level of responsibility, that the submission of the statement by the incumbent is not necessary to protect the integrity of the Board. For the purpose of paragraphs (b) and (c) of this section, the following are examples of special Government employees who are not consultants and experts;

49 CFR Ch. VIII (10-1-02 Edition)

(1) A physician, dentist, or allied medical specialist whose services are procured to provide care and service to patients; or

(2) A veterinarian whose services are procured to provide care and service to animals.

§ 805.735-24 Review of financial statements.

(a) The Personnel Officer shall review each statement of employment and financial interests submitted under the regulations in this part (other than his own, which is reviewed by the Managing Director) to determine whether conflicts of interest or apparent conflicts of interest exist. If the review, or other information from other sources, indicates a conflict between the interests of an employee or special Government employee and the performance of his services for the Board, the Personnel Officer shall forward the statement, together with a position description of the employee involved, to the General Counsel of the Board.

(b) The employee or special Government employee whose statement has been referred under the provisions of paragraph (a) of this section will receive, from the General Counsel, advice and guidance regarding the matters questioned by the Personnel Officer. He will be afforded an opportunity to explain the conflict or appearance of conflict. It is expected that most problems will be settled at this informal stage. However, if an agreement cannot be reached after consultation, the matter shall be reported by the General Counsel, after consulting with the Managing Director, to the Chairman for resolution.

(c) The Chairman may provide the employee or special Government employee concerned with an additional opportunity to explain the conflict or appearance of conflict. If the matter cannot be resolved, the Chairman may invoke the disciplinary provisions of § 805.735-27, or may decide that remedial steps shall be taken with regard to such employee or special Government employee. When the questions of conflict of interest are resolved at one of
