### § 600.135 Meeting procedures.

(a) Public notice of regular meetings of the Council, scientific statistical committee or advisory panels, including the agenda, must be published in the FEDERAL REGISTER on a timely basis, and appropriate news media notice must be given. The published agenda of any regular meeting may not be modified to include additional matters for Council action without public notice, or such notice must be given at least 14 days prior to the meeting date, unless such modification is to address an emergency under section 305 (c) of the Magnuson-Stevens Act, in which case public notice shall be given immediately. Drafts of all regular public meeting notices must be transmitted to the NMFS Headquarters Office at least 23 calendar days before the first day of the regular meeting. Councils must ensure that all public meetings are accessible to persons with disabilities, and that the public can make timely requests for language interpreters or other auxiliary aids at public meetings.

(b) Drafts of emergency public notices must be transmitted to the NMFS Washington Office; recommended at least 5 working days prior to the first day of the emergency meeting. Examples of other internal administrative matters include candidates for appointment to AP, SSC, and other subsidiary bodies and public decorum or medical conditions of members of a Council or its subsidiary bodies. In deciding whether to close a portion of a meeting to discuss internal administrative matters, a Council or subsidiary body should consider not only the privacy interests of individuals whose conduct or qualifications may be discussed, but also the interest of the public in being informed of Council operations and actions.

(d) Without the notice required by paragraph (c) of this section, a Council, SSC, AP, or FIAC may briefly close a portion of a meeting to discuss employment or other internal administrative matters. The closed portion of a meeting that is closed without notice may not exceed 2 hours.
