### **§ 230.428 Documents constituting a section 10(a) prospectus for Form S-8 registration statement; requirements relating to offerings of securities registered on Form S-8.**

(a)(1) Where securities are to be offered pursuant to a registration state-

## 17 CFR Ch. II (4-1-03 Edition)

ment on Form S-8 (§ 239.16b of this chapter), the following, taken together, shall constitute a prospectus that meets the requirements of section 10(a) of the Act:

(i) The document(s), or portions thereof as permitted by paragraph (b)(1)(ii) of this section, containing the employee benefit plan information required by Item 1 of the Form;

(ii) The statement of availability of registrant information, employee benefit plan annual reports and other information required by Item 2; and

(iii) The documents containing registrant information and employee benefit plan annual reports that are incorporated by reference in the registration statement pursuant to Item 3.

(2) The registrant shall maintain a file of the documents that, pursuant to paragraph (a) of this section, at any time are part of the section 10(a) prospectus, except for documents required to be incorporated by reference in the registration statement pursuant to Item 3 of Form S-8. Each such document shall be included in the file until five years after it is last used as part of the Section 10(a) prospectus to offer or sell securities pursuant to the plan. With respect to documents containing specifically designated portions that constitute part of the section 10(a) prospectus pursuant to paragraph (b)(1)(ii) of this section, the entire document shall be maintained in the file. Upon request, the registrant shall furnish to the Commission or its staff a copy of any or all of the documents included in the file.

(b) Where securities are offered pursuant to a registration statement on Form S-8:

(1)(i) The registrant shall deliver or cause to be delivered, to each employee who is eligible to participate (or selected by the registrant to participate, in the case of a stock option or other plan with selective participation) in an employee benefit plan to which the registration statement relates, the information required by Part I of Form S-8. The information shall be in written form and shall be updated in writing in a timely manner to reflect any material changes during any period in which offers or sales are being made.

When updating information is furnished, documents previously furnished need not be re-delivered, but the registrant shall furnish promptly without charge to each employee, upon written or oral request, a copy of all documents containing the plan information required by Part I that then constitute part of the section 10(a) prospectus.

(ii) The registrant may designate an entire document or only portions of a document as constituting part of the section 10(a) prospectus. If the registrant designates only portions of a document as constituting part of the prospectus, rather than the entire document, a statement clearly identifying such portions, for example, by reference to section headings, section numbers, paragraphs or page numbers within the document must be included in a conspicuous place in the forepart of the document, or such portions must be specifically designated throughout the text of the document. Registrants shall not designate only words or sentences within a paragraph as part of a prospectus. Unless the portions of a document constituting part of the section 10(a) prospectus are clearly identified, the entire document shall constitute part of the prospectus.

(iii) The registrant shall date any document constituting part of the section 10(a) prospectus or containing portions constituting part of the prospectus and shall include the following printed, stamped or typed legend in a conspicuous place in the forepart of the document, substituting the bracketed language as appropriate: "This document [Specifically designated portions of this document] constitutes [constitute] part of a prospectus covering securities that have been registered under the Securities Act of 1933."

(iv) The registrant shall revise the document(s) containing the plan information sent or given to newly eligible participants pursuant to paragraph (b)(1)(i) of this section, if documents containing updating information would obscure the readability of the plan information.

(2) The registrant shall deliver or cause to be delivered with the document(s) containing the information required by Part I of Form S-8, to each employee to whom such information is

sent or given, a copy of any one of the following:

(i) The registrant's annual report to security holders containing the information required by Rule 14a-3(b) (§240.14a-3(b) of this chapter) under the Securities Exchange Act of 1934 (*Exchange Act*) for its latest fiscal year;

(ii) The registrant's annual report on Form 10-K and Form 10-KSB (§249.310 of this chapter), U5S (§259.5s of this chapter), 20-F (§249.220f of this chapter) or, in the case of registrants described in General Instruction A.(2) of Form 40-F, 40-F (§249.240f of this chapter) for its latest fiscal year;

(iii) The latest prospectus filed pursuant to Rule 424(b) (§230.424(b) of this chapter) under the Act that contains audited financial statements for the registrant's latest fiscal year, *Provided that* the financial statements are not incorporated by reference from another filing, and *Provided further* that such prospectus contains substantially the information required by Rule 14a-3(b) or the registration statement was on Form SB-2 (§239.28 of this chapter) or F-1 (§239.31 of this chapter); or

(iv) The registrant's effective Exchange Act registration statement on Form 10 and Form 10-SB (§249.210 of this chapter), 20-F or, in the case of registrants described in General Instruction A.(2) of Form 40-F, 40-F containing audited financial statements for the registrant's latest fiscal year.

*Instructions.* 1. If a registrant has previously sent or given an employee a copy of any document specified in clauses (i)-(iv) of paragraph (b)(2) for the latest fiscal year, it need not be re-delivered, but the registrant shall furnish promptly, without charge, a copy of such document upon written or oral request of the employee.

2. If the latest fiscal year of the registrant has ended within 120 days (or 190 days with respect to foreign private issuers) prior to the delivery of the documents containing the information specified by Part I of Form S-8, the registrant may deliver a document containing financial statements for the fiscal year preceding the last fiscal year, *Provided that* within the 120 or 190 day period a document containing financial statements for the latest fiscal year is furnished to each employee.

(3) The registrant shall deliver or cause to be delivered promptly, without charge, to each employee to whom

## § 230.429

information is required to be delivered, upon written or oral request, a copy of the information that has been incorporated by reference pursuant to Item 3 of Form S-8 (not including exhibits to the information that is incorporated by reference unless such exhibits are specifically incorporated by reference into the information that the registration statement incorporates).

(4) Where interests in a plan are registered, the registrant shall deliver or cause to be delivered promptly, without charge, to each employee to whom information is required to be delivered, upon written or oral request, a copy of the then latest annual report of the plan filed pursuant to Section 15(d) of the Exchange Act, whether on Form 11-K (§249.311 of this chapter) or included as part of the registrant's annual report on Form 10-K and Form 10-KSB.

(5) The registrant shall deliver or cause to be delivered to all employees participating in a stock option plan or plan fund that invests in registrant securities (and other plan participants who request such information orally or in writing) who do not otherwise receive such material, copies of all reports, proxy statements and other communications distributed to its security holders generally, provided that such material is sent or delivered no later than the time it is sent to security holders.

(c) As used in this Rule, the term *employee benefit plan* is defined in Rule 405 of Regulation C (§230.405 of this chapter) and the term *employee* is defined in General Instruction A.1 of Form S-8.

## § 230.429 Prospectus relating to several registration statements.

(a) Where a registrant has filed two or more registration statements, it may file a single prospectus in the latest registration statement in order to satisfy the requirements of the Act and the rules and regulations thereunder for that offering and any other offering(s) registered on the earlier registration statement(s). The combined prospectus in the latest registration statement must include all of the information that currently would be required in a prospectus relating to all

(b) Where a registrant relies on paragraph (a) of this section, the registration statement containing the combined prospectus shall act, upon effectiveness, as a post-effective amendment to any earlier registration statement whose prospectus has been combined in the latest registration statement. The registrant must identify any earlier registration statement to which the combined prospectus relates by setting forth the Commission file number at the bottom of the facing page of the latest registration statement.
