A registered investment company which has adopted for the purposes of sections 5 and 12 of the Act a method of valuation permitted by paragraph (a) of this section, unless it shall have adopted such method for the purpose or partly for the purpose of qualifying as a "mutual investment company" under the Internal Revenue Code, shall continue to use that method until it has notified the Commission of its desire to use a different method, and has received from the Commission permission for such change. Such permission may be made effective on a fixed date or within such reasonable time thereafter as may be deemed advisable under the circumstances.

(d) If at any time it appears that the method of valuation adopted by any company pursuant to paragraph (a) of this section is no longer justified by the facts, the Commission may require a change in the method of valuation within a reasonable period of time either to the method prescribed in clause (A) of section 2(a)(41) of the Act or to some other method permitted by paragraph (a) of this section which is justified by the existing facts.
