The left margin should be at least 1½ inches wide and, if the application is bound, it should be bound on the left side. All typewritten or printed matter (including deficits in financial statements) should be set forth in black so as to permit photocopying and microfilming.

(c) *Authorization respecting applications.* (1) Every application for an order under any provision of the Act, for which a form with instructions is not specifically prescribed and which is executed by a corporation, partnership, or other company and filed with the Commission, shall contain a concise statement of the applicable provisions of the articles of incorporation, bylaws, or similar documents, relating to the right of the person signing and filing such application to take such action on behalf of the applicant, and a statement that all such requirements have been complied with and that the person signing and filing the same is fully authorized to do so. If such authorization is dependent on resolutions of stockholders, directors, or other bodies, such resolutions shall be attached as an exhibit to, or the pertinent provisions thereof shall be quoted in, the application.

(2) If an amendment to any such application shall be filed, such amendment shall contain a similar statement or, in lieu thereof, shall state that the authorization described in the original application is applicable to the individual who signs such amendment and that such authorization still remains in effect.

(3) When any such application or amendment is signed by an agent or attorney, the power of attorney evidencing his authority to sign shall contain similar statements and shall be filed with the Commission.
