**§ 201.19 Notification regarding requests for confidential business information.**

(a) *In general.* Business information provided to the Commission by a business submitter which the Commission has designated as “confidential business information” will not be disclosed pursuant to a Freedom of Information Act (FOIA) request except in accordance with this section.

(b) *Definitions.* The following definitions are to be used in reference to this section:

*Confidential business information* means commercial or financial information that has been designated as confidential business information by the Commission under § 201.6 of this part.

*Submitter* means any person or entity who provides confidential business information, directly or indirectly, to the Commission. The term includes, but is not limited to, corporations, producers, importers, and state and foreign governments.

(c) *Notice to submitters.* Except as provided for in paragraph (e) of this sec-

tion, the Commission will, to the extent permitted by law, provide a submitter with prompt written notice of a FOIA request or administrative appeal encompassing its confidential business information whenever required under paragraph (d) of this section, in order to afford the submitter an opportunity to object to disclosure pursuant to paragraph (f) of this section. Such written notice will describe the nature of the confidential business information requested. The requester will also be notified that notice and opportunity to object to are being provided to a submitter.

(d) *When notice is required.* Notice will be given to a submitter in writing at submitter’s last known address whenever:

(1) The information the subject of the FOIA request or appeal has been designated by the Commission as confidential business information; and

(2) The Commission has reason to believe that the information may not be protected from disclosure under FOIA Exemptions 3 or 4.

(e) *Exceptions to notice requirement.* The notice requirements of paragraph (c) of this section will not apply if:

(1) The Commission determines that the information should not be disclosed;

(2) The information lawfully has been published or has been officially made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(f) *Opportunity to object to disclosure.* In general, the Commission has 10 working days in which to respond to a FOIA request. Through the notice described in paragraph (c) of this section, the Commission will afford a submitter an opportunity, within the period afforded to the Commission to make its decision in response to the FOIA request, to provide the Commission with a detailed written statement of any objection to disclosure. Such statement shall be filed at least one working day before the Commission is required to respond to the FOIA request, and it shall specify all grounds for withholding any of the information under any exemption of FOIA. In the case of

The submitter's claim of continued confidentiality should be supported by a certification by an officer or authorized representative of the submitter. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under FOIA.

(g) *Notice of intent to disclose.* The Commission will consider carefully a submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose the information. Whenever the Commission decides to disclose such information over the objection of a submitter, the Commission will forward to the submitter a written notice which will include:

- (1) A statement of the reasons for which the submitter's disclosure objections were not sustained;

For the purpose of this paragraph, the Secretary may assume such address to be that given on the submission.

### § 201.20 Fees.

(a) *In general.* Fees pursuant to 5 U.S.C. 552 shall be assessed according to the schedule contained in paragraph (b) of this section for services rendered by agency personnel in responding to and processing requests for records under this subpart. All fees so assessed shall be charged to the requester, except where the charging of fees is limited under paragraph (c) of this section

or where a waiver or reduction of fees is granted under paragraph (d) of this section. The Secretary will collect all applicable fees. Requesters shall pay fees by check or money order made payable to the Treasury of the United States.

(b) *Charges.* In responding to requests under this subpart, the following fees shall be assessed, unless a waiver or reduction of fees has been granted pursuant to paragraph (d) of this section:

(1) *Search.* (i) No search fee shall be assessed with respect to requests by educational institutions, noncommercial scientific institutions, and representatives of the news media as defined in paragraphs (j) (6), (7), and (8) of this section, respectively. Search fees shall be assessed with respect to all other requests, subject to the limitations of paragraph (c) of this section. The secretary may assess fees for time spent searching even if agency personnel fail to locate any respective record or where records located are subsequently determined to be entirely exempt from disclosure.

(ii) For each quarter hour spent by agency personnel in salary grades GS-2 through GS-10 in searching for and retrieving a requested record, the fee shall be \$4.00. When the time of agency personnel in salary grades GS-11 and above is required, the fee shall be \$6.50 for each quarter hour of search and retrieval time spent by such personnel.

(iii) For computer searches of records, which may be undertaken through the use of existing programming, requester shall be charged the actual direct costs of conducting the search, although certain requesters (as defined in paragraph (c)(2) of this section) shall be entitled to the cost equivalent of two hours of manual search time without charge. These direct costs shall include the cost of operating a central processing unit for that portion of operating time that is directly attributable to searching for records responsive to a request, as well as the costs of operator/programmer salary apportionable to the search (at no more than \$6.50 per quarter hour of time so spent).
