§ 207.3 Service, filing, and certification of documents.

(a) *Certification.* Any person submitting factual information on behalf of the petitioner or any other interested party for inclusion in the record, and any person submitting a response to a Commission questionnaire, must certify that such information is accurate and complete to the best of the submitter's knowledge.

(b) *Service.* Any party submitting a document for inclusion in the record of the investigation shall, in addition to complying with § 201.8 of this chapter, serve a copy of each such document on all other parties to the investigation in the manner prescribed in § 201.16 of this chapter. If a document is filed before the Secretary's issuance of the service list provided for in § 201.11 of this chapter or the administrative protective order list provided for in § 207.7, the document need not be accompanied by a certificate of service, but the document shall be served on all appropriate parties within two (2) days of the issuance of the service list or the administrative protective order list and a certificate of service shall then be filed. Notwithstanding § 201.16 of this chapter, petitions, briefs, and testimony filed by parties pursuant to §§ 207.10, 207.15, 207.23, 207.24, 207.25, 207.65, 207.66, and 207.67 shall be served by hand or, if served by mail, by overnight mail or its equivalent. Failure to comply with the requirements of this rule may result in removal from status as a party to the investigation. The Commission shall make available to all parties to the investigation a copy of each document, except transcripts of conferences and hearings, business proprietary information, privileged information, and information required to be served under this section, placed in the

record of the investigation by the Commission.

(c) *Filing.* Documents to be filed with the Commission must comply with applicable rules, including § 201.8 of this chapter. If the Commission establishes a deadline for the filing of a document, and the submitter includes business proprietary information in the document, the submitter is to file and, if the submitter is a party, serve the business proprietary version of the document on the deadline and may file and serve the nonbusiness proprietary version of the document no later than one business day after the deadline for filing the document. The business proprietary version shall enclose all business proprietary information in brackets and have the following warning marked on every page: "Bracketing of BPI not final for one business day after date of filing." The bracketing becomes final one business day after the date of filing of the document, *i.e.*, at the same time as the nonbusiness proprietary version of the document is due to be filed. Until the bracketing becomes final, recipients of the document may not divulge any part of the contents of the document to anyone not subject to the administrative protective order issued in the investigation. If the submitter discovers it has failed to bracket correctly, the submitter may file a corrected version or portion of the business proprietary document at the same time as the nonbusiness proprietary version is filed. No changes, including typographical changes, to the document other than bracketing and deletion of business proprietary information are permitted after the deadline unless an extension of time is granted to file an amended document pursuant to § 201.14(b)(2) of this chapter. Failure to comply with this paragraph may result in the striking from the record of all or a portion of a submitter's document.

§ 207.4 The record.

(a) *Maintenance of the record.* The Secretary shall maintain the record of each investigation conducted by the Commission pursuant to title VII of

the Act. The record shall be maintained contemporaneously with each actual filing in the record. It shall be divided into public and nonpublic sections. The Secretary shall also maintain a contemporaneous index of all materials filed in the record. All material properly filed with the Secretary shall be placed in the record. The Commission need not consider in its determinations or include in the record any material that is not filed with the Secretary. All material which is placed in the record shall be maintained in the public record, with the exception of material which is privileged, or which is business proprietary information submitted in accordance with §201.6 of this chapter. Privileged and business proprietary material shall be maintained in the nonpublic record.

(b) *Audits.* The Commission may in its discretion verify information received in the course of an investigation. To the extent a verification results in new or different information, the Commission shall place such information on the record.

(c) *Materials provided by the administering authority.* Materials received by the Commission from the administering authority shall be placed on the Commission's record and shall be designated by the Commission as public or nonpublic in conformity with the applicable designation of the administering authority. Any requests to the Commission either to permit access to such materials or to release such materials shall be referred to the administering authority for its advice.

The record of each ex parte meeting shall include the identity of the persons present at the meeting, the date, time, and place of the meeting, and a summary of the matters discussed or submitted.

§ 207.6 Reports of progress of investigation.

The Secretary shall upon the request of a party inform the parties to an in-

vestigation of the progress of that investigation. No such progress report, however, shall be issued by the Secretary less than thirty (30) days after the date of publication of commencement of an investigation by notice in the FEDERAL REGISTER, nor shall the Secretary be required to issue a report on the progress of any investigation less than thirty (30) days after the date of issuance of the previous such report with respect to the same investigation. A report shall be limited to a statement of what official actions the Commission has taken since the previous such report, if any.

§ 207.7 Limited disclosure of certain business proprietary information under administrative protective order.

(a)(1) *Disclosure.* Upon receipt of a timely application filed by an authorized applicant, as defined in paragraph (a)(3) of this section, which describes in general terms the information requested, and sets forth the reasons for the request (*e.g.*, all business proprietary information properly disclosed pursuant to this section for the purpose of representing an interested party in investigations pending before the Commission), the Secretary shall make available all business proprietary information contained in Commission memoranda and reports and in written submissions filed with the Commission at any time during the investigation (except nondisclosable confidential business information) to the authorized applicant under an administrative protective order described in paragraph (b) of this section. The term "business proprietary information" has the same meaning as the term "confidential business information" as defined in §201.6 of this chapter.

(2) *Application.* An application under paragraph (a)(1) of this section must be made by an authorized applicant on a form adopted by the Secretary or a photocopy thereof.
