

§ 212.12

19 CFR Ch. II (4-1-03 Edition)

§ 212.12 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The presiding officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 212.13 When an application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the adversary adjudication or in a significant and discrete substantive portion of the adversary adjudication, but in no case later than 30 days after the Commission's final disposition of the adversary adjudication.

(b) If review or reconsideration is sought or taken of a determination as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

Subpart C—Procedures for Considering Applications

§ 212.20 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the adversary adjudication in the same manner as other pleadings in the adversary adjudication, except as provided in § 212.11(b) for confidential financial information.

§ 212.21 Answer to application.

(a) Within 30 days after service of an application, the Commission investigative attorney shall file an answer to the application.

(b) If the applicant and the Commission investigative attorney believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the presiding officer upon request by the applicant and the Commission investigative attorney.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the position of the Commission. If the answer is based on any alleged facts not already in the record of the adversary adjudication, the Commission investigative attorney shall include with the answer supporting affidavits or a request for further proceedings under § 212.25.

§ 212.22 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the adversary adjudication, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 212.25.

§ 212.23 Comments by other parties.

Any party to the adversary adjudication other than the applicant and the Commission investigative attorney may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the presiding officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

§ 212.24 Settlement.

The applicant and the Commission may agree on a proposed settlement of

the award before final action on the application, either in connection with a settlement of the underlying adversary adjudication, or after the underlying adversary adjudication has been concluded. If a prevailing party and the Commission investigative attorney agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 212.25 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or the Commission investigative attorney, or on his or her own initiative, the presiding officer may in his or her discretion order further proceedings, such as an informal conference, oral argument, additional written submissions or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible.

(b) A request that the presiding officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 212.26 Determination.

The presiding officer shall issue a recommended determination on the application within 90 days after completion of proceedings on the application. The determination shall include written findings and conclusions on the applicant's eligibility and status as prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The determination shall also include, if at issue, findings on whether the position of the Commission investigative attorney was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust.

§ 212.27 Agency review.

Except as otherwise authorized by the presiding officer, the parties shall be allowed ten (10) days from the date of service of the recommended determination to file exceptions to the recommended determination and alternative findings of fact and conclusions of law with the Commission. Upon receipt of the recommended determination, the Commission shall review the same and issue a final determination on the application or remand the application to the presiding officer for further proceedings.

§ 212.28 Judicial review.

Judicial review of final Commission determinations on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 212.29 Payment of award.

An applicant seeking payment of an award shall submit to the Finance and Budget Division of the Commission a copy of the Commission's final determination granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. The address for submission to the Commission is: United States International Trade Commission, Finance and Budget Division, 500 E Street SW., Washington, DC 20436. The Commission will pay the amount to the applicant within 60 days, unless judicial review of the award or of the underlying determination of the adversary adjudication has been sought by the applicant or any other party to the proceeding.
