§ 645.225 How do Welfare-to-Work activities relate to activities provided through TANF and other related programs?

(a) Activities provided through WtW must be coordinated effectively at the State and local levels with activities being provided through TANF (section 403(a)(5)(A)(vii)(II)).

(b) The operating entity must ensure that there is an assessment of skills, prior work experience, employability, and other relevant information in place for each WtW participant. Where appropriate, the assessment performed by the TANF agency or JTPA should be used for this purpose.

(c) The operating entity must ensure that there is an individualized strategy for transition to unsubsidized employment in place for each participant which takes into account participant assessments, including the TANF assessment and any JTPA assessment. Where appropriate, the TANF individual responsibility plan (IRP), a WIA individual employment plan, or a JTPA individual service strategy should be used for this purpose.

(d) Coordination of resources should include not only those available through WtW and TANF grant funds, and the Child Care and Development Block Grant, but also those available through other related activities and programs such as the WIA or JTPA programs (One-Stop systems), the State employment service, private sector employers, labor organizations, business and trade associations, education agencies, housing agencies, community development corporations, transportation agencies, community-based and faith-based organizations, disability community organizations, community action agencies, and colleges and universities which provide some of the assistance needed by the targeted population (section 402(a)(5)(A)).

§ 645.230 What general fiscal and administrative rules apply to the use of Federal funds?

(a) Uniform fiscal and administrative requirements.

(1) State, local, and Indian tribal government organizations are required to follow the common rule “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments” which is codified in the DOL regulations at 29 CFR part 97.

(2) Institutions of higher education, hospitals, and other non-profit organizations and other commercial organizations are required to follow OMB Circular A-110 which is codified in the DOL regulations at 29 CFR part 95.

(½) of the payment occur after an eligible individual placed into the workforce has been in the workforce for six (6) months. This provision applies only to placement in unsubsidized jobs (section 403(a)(5)(C)(i)).

(4) In addition to the requirements at 29 CFR 95.42 and 29 CFR 97.36(b)(3) which address codes of conduct and conflict of interest issues related to employees, it is also required that:

(i) A local board or alternate administering agency member shall neither cast a vote on, nor participate in, any decision making capacity on the provision of services by such member (or any organization which that member directly represents), nor on any matter which would provide any direct financial benefit to that member or a member of his immediate family; and

(ii) Neither membership on the local board or alternate administering agency nor the receipt of WtW funds to provide training and related services shall be construed, by itself, to violate these conflict of interest provisions.

(5) The addition method, described at 29 CFR 97.25(g)(2), is required for the use of all program income earned under WtW grants. When the cost of generating program income has been charged to the program, the gross amount earned must be added to the WtW program. However, the cost of generating program income must be subtracted from the amount earned to establish the net amount of program income available for use under the grants when these costs have not been charged to the WtW program.

(6) Any excess revenue over costs incurred for services provided by a governmental or non-profit entity must be included in program income earned.

(b) *Audit requirements.* All recipients and subrecipients of Department of Labor WtW awards must comply with the audit requirements codified at 29 CFR part 96.
