

(d) The program's performance information must meet the minimum acceptable levels established under paragraph (c)(2) of this section to remain eligible;

(e) Local Boards may require higher levels of performance for local programs than the levels specified in the procedures established by the Governor. (WIA sec.122(c)(5) and (c)(6).)

(f) The State procedure must require Local Boards to take into consideration:

(1) The specific economic, geographic and demographic factors in the local areas in which providers seeking eligibility are located, and

(2) The characteristics of the populations served by programs seeking eligibility, including the demonstrated difficulties in serving these populations, where applicable.

(g) The Local Board retains those programs on the local list that meet the required performance levels and other elements of the State procedures and submits the list, accompanied by the performance and cost information, and any additional required information, to the designated State agency. If the designated State agency determines within 30 days from the receipt of the information that the program does not meet the performance levels established under paragraph (c)(2) of this section, the program may be removed from the list. A program retained on the local list and not removed by the designated State agency is considered an eligible program of training services.

§ 663.540 What kind of performance and cost information is required for determinations of subsequent eligibility?

(a) Eligible providers of training services must submit, at least annually, under procedures established by the Governor under § 663.535(c):

(1) Verifiable program-specific performance information, including:

(i) The information described in WIA section 122(d)(1)(A)(i) for all individuals participating in the programs of training services, including individuals who are not receiving assistance under WIA section 134 and individuals who are receiving such assistance; and

(ii) The information described in WIA section 122(d)(1)(A)(ii) relating only to individuals receiving assistance under the WIA adult and dislocated worker program who are participating in the applicable program of training services; and

(2) Information on program costs (such as tuition and fees) for WIA participants in the program.

(b) Governors may require any additional verifiable performance information (such as the information described at WIA section 122(d)(2)) that the Governor determines to be appropriate to obtain subsequent eligibility, including information regarding all participating individuals as well as individuals receiving assistance under the WIA adult and dislocated worker program.

(c) Governors must establish procedures by which providers can demonstrate if the additional information required under paragraph (b) of this section imposes extraordinary costs on providers, or if providers experience extraordinary costs in the collection of information. If, through these procedures, providers demonstrate that they experience such extraordinary costs:

(1) The Governor or Local Board must provide access to cost-effective methods for the collection of the information; or

(2) The Governor must provide additional resources to assist providers in the collection of the information from funds for Statewide workforce investment activities reserved under WIA sections 128(a) and 133(a)(1).

(d) The Local Board and the designated State agency may accept program-specific performance information consistent with the requirements for eligibility under title IV of the Higher Education Act of 1965 from a provider for purposes of enabling the provider to fulfill the applicable requirements of this section, if the information is substantially similar to the information otherwise required under this section.

§ 663.550 How is eligible provider information developed and maintained?

(a) The designated State agency must maintain a list of all eligible training programs and providers in the State (the "State list").

§ 663.555

20 CFR Ch. V (4-1-03 Edition)

(b) The State list is a compilation of the eligible programs and providers identified or retained by local areas and that have not been removed under §§ 663.535(g) and 663.565.

(c) The State list must be accompanied by the performance and cost information contained in the local lists as required by § 663.535(e). (WIA sec. 122(e)(4)(A).)

§ 663.555 How is the State list disseminated?

(a) The designated State agency must disseminate the State list and accompanying performance and cost information to the One-Stop delivery systems within the State.

(b) The State list and information must be updated at least annually.

(c) The State list and accompanying information form the primary basis of the One-Stop consumer reports system that provides for informed customer choice. The list and information must be widely available, through the One-Stop delivery system, to customers seeking information on training outcomes, as well as participants in employment and training activities funded under WIA and other programs.

(1) The State list must be made available to individuals who have been determined eligible for training services under § 663.310.

(2) The State list must also be made available to customers whose training is supported by other One-Stop partners.

§ 663.565 May an eligible training provider lose its eligibility?

(a) Yes. A training provider must deliver results and provide accurate information in order to retain its status as an eligible training provider.

(b) If the provider's programs do not meet the established performance levels, the programs will be removed from the eligible provider list.

(1) A Local Board must determine, during the subsequent eligibility determination process, whether a provider's programs meet performance levels. If the program fails to meet such levels, the program must be removed from the local list. If all of the provider's programs fail to meet such levels, the pro-

vider must be removed from the local list.

(2) The designated State agency upon receipt of the performance information accompanying the local list, may remove programs from the State list if the agency determines the program failed to meet the levels of performance prescribed under § 663.535(c). If all of the provider's programs are determined to have failed to meet the levels, the designated State agency may remove the provider from the State list.

(3) Providers determined to have intentionally supplied inaccurate information or to have subsequently violated any provision of title I of WIA or the WIA regulations, including 29 CFR part 37, may be removed from the list in accordance with the enforcement provisions of WIA section 122(f). A provider whose eligibility is terminated under these conditions is liable to repay all adult and dislocated worker training funds it received during the period of noncompliance.

(4) The Governor must establish appeal procedures for providers of training to appeal a denial of eligibility under this subpart according to the requirements of 20 CFR 667.640(b).

§ 663.570 What is the consumer reports system?

The consumer reports system, referred to in WIA as performance information, is the vehicle for informing the customers of the One-Stop delivery system about the performance of training providers and programs in the local area. It is built upon the State list of eligible providers and programs developed through the procedures described in WIA section 122 and this subpart. The consumer reports system must contain the information necessary for an adult or dislocated worker customer to fully understand the options available to him or her in choosing a program of training services. Such program-specific factors may include overall performance, performance for significant customer groups (including wage replacement rates for dislocated workers), performance of specific provider sites, current information on employment and wage trends and projections, and duration of training programs.
