

## Department of State

## § 62.26

(1) Authorized by the local school district in which the student is enrolled; and

(2) Authorized by the state authority responsible for determination of athletic eligibility, if applicable.

(i) *Student employment.* Students may not be employed on either a full or part-time basis but may accept sporadic or intermittent employment such as babysitting or yard work.

(j) *Host family selection.* Sponsors shall adequately screen all potential hosts and at a minimum shall:

(1) Provide potential host families with a detailed summary of the exchange program and the parameters of their participation, duties, and obligations;

(2) Utilize a standard application form for all host family applicants which provides a detailed summary and profile of the host family, the physical home environment, family composition, and community environment;

(3) Conduct an in-person interview with all family members residing in the home;

(4) Ensure that the host family is capable of providing a comfortable and nurturing home environment;

(5) Ensure that the host family is a good reputation and character by securing two personal references for each host family from the school or community, attesting to the host family's good reputation and character;

(6) Ensure that the host family has adequate financial resources to undertake hosting obligations; and

(7) Maintain a record of application forms, evaluations, and interviews for all selected host families for a period of three years.

(k) *Host family orientation.* In addition to the orientation requirements set forth in § 62.10, sponsors shall:

(1) Inform all host families of the philosophy, rules, and regulations governing the sponsor's exchange program;

(2) Provide all selected host families with a copy of Department of State-promulgated Exchange Visitor Program regulations; and

(3) Advise all selected host families of strategies governing cross-cultural interaction and conduct workshops which will familiarize the host family with cultural differences and practices.

(1) *Host family placement.* (1) Sponsors shall secure, prior to the student's departure from the home country, a host family placement for each student participant. Sponsors shall not:

(i) Facilitate the entry into the United States for a student for whom a host family placement has not been secured; and

(ii) Place more than one student with a host family without the express prior written consent of the Department of State.

(2) Sponsors shall advise both the student and host family, in writing, of the respective family compositions and backgrounds of each and shall facilitate and encourage the exchange of correspondence between the two prior to the student's departure from the home country.

(3) In the event of unforeseen circumstances which necessitate a change of host family placement, the sponsor shall document the reasons necessitating such change and provide the Department of State with an annual statistical summary reflecting the number and the reason for such change in host family placement.

(m) *Placement report.* In lieu of listing the name and address of the host family and school placement on a participant's Form DS-2019, sponsors must, no later than August 31st of each academic year, submit to the Department of State a report of all academic year program participants. Such report shall set forth the participant's name, school, and host family placements. A report of semester participants entering United States schools during the January to June term shall be submitted to the Department of State by January 15th.

### § 62.26 Specialists.

(a) *Introduction.* These regulations govern experts in a field of specialized knowledge or skill coming to the United States for observing, consulting, or demonstrating special skills, except:

(1) Research scholars and professors, who are governed by regulations set forth at § 62.20;

(2) Short-term scholars, who are governed by regulations set forth at § 62.21; and

## § 62.27

## 22 CFR Ch. I (4–1–03 Edition)

(3) Alien physicians in graduate medical education or training, who are governed by regulations set forth in § 62.27.

(b) *Purpose.* The Exchange Visitor Program promotes the interchange of knowledge and skills among foreign and American specialists, who are defined as experts in a field of specialized knowledge or skills, and who visit the United States for the purpose of observing, consulting, or demonstrating their special skills. It does so by providing foreign specialists the opportunity to observe American institutions and methods of practice in their professional fields, and to share their specialized knowledge with their American colleagues. The exchange of specialists promotes mutual enrichment, and furthers linkages among scientific institutions, government agencies, museums, corporations, libraries, and similar types of institutions. Such exchanges also enable visitors to better understand American culture and society and enhance American knowledge of foreign cultures and skills. This category is intended for exchanges with experts in such areas, for example, as mass media communication, environmental science, youth leadership, international educational exchange, museum exhibitions, labor law, public administration, and library science. This category is not intended for experts covered by the exchange visitor categories listed in paragraphs (a) (1) through (3) of this section.

(c) *Designation.* The Department of State may, in its discretion, designate *bona fide* programs satisfying the objectives in section (b) above as an exchange visitor program in the specialist category.

(d) *Visitor eligibility.* A foreign national shall be eligible to participate in an exchange visitor program as a specialist if the individual:

- (1) Is an expert in a field of specialized knowledge or skill;
- (2) Seeks to travel to the United States for the purpose of observing, consulting, or demonstrating his or her special knowledge or skills; and
- (3) Does not fill a permanent or long-term position of employment while in the United States.

(e) *Visitor selection.* Sponsors shall adequately screen and select special-

ists prior to accepting them for the program, providing a formal selection process, including at a minimum:

(1) Evaluation of the qualifications of foreign nationals to determine whether they meet the definition of specialist as set forth in § 62.4(g); and

(2) Screening foreign nationals to ensure that the requirements of § 62.10(a) are satisfied.

(f) *Program disclosure.* Before the program begins, the sponsor shall provide the specialist, in addition to what is required in § 62.10(b), with:

(1) Information on the length and location(s) of his or her exchange visitor program;

(2) A summary of the significant components of the program; and

(3) A written statement which clearly states the stipend, if any, to be paid to the specialist.

(g) *Issuance of Form IAP-66.* The Form DS-2019 shall be issued only after the specialist has been accepted by the organization(s) with which he or she will participate in an exchange visitor program.

(h) *Location of the exchange.* The specialist shall participate in an exchange visitor program at the location(s) listed on his or her Form DS-2019.

(i) *Duration of participation.* The specialist shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which shall not exceed one year.

### § 62.27 Alien physicians.

(a) *Purpose.* Pursuant to the Mutual Educational and Cultural Exchange Act, as amended by the Health Care Professions Act, Public Law 94-484, the Department of State facilitates exchanges for foreign medical graduates seeking to pursue graduate medical education or training at accredited schools of medicine or scientific institutions. The Department of State also facilitates exchanges of foreign medical graduates seeking to pursue programs involving observation, consultation, teaching, or research activities.

(b) *Clinical exchange programs.* The Educational Commission for Foreign Medical Graduates must sponsor alien physicians who wish to pursue programs of graduate medical education
