of such services along with a plan prepared by the applicant for correcting those deficiencies. In such event, HHS will inform HUD that, if the facility complies with such plan, the facility will meet the applicable health and safety requirements of HHS for providers of services under Titles XVIII and XIX of the Social Security Act upon the installation of the fire safety equipment. Until the termination of all obligations of the Commissioner under an insurance contract under this subpart and during such further period of time as the Commissioner shall be the owner, holder, or reinsurer of the loan, the borrower shall be regulated or restricted by the Commissioner as to methods of operation including requirements for maintenance of fire safety equipment.

(b) Also eligible as a borrower shall be a profit or nonprofit entity which owns an assisted living facility or board and care home for which HUD has determined that the installation of fire safety equipment is approvable under the definition contained in § 232.500(c).

#### SPECIAL REQUIREMENTS

### **§ 232.620 Determination of compliance by HHS.**

An application under this subpart must be accompanied by a statement from the Secretary of Health and Human Services, or his designee, that the Secretary has determined that the physical plant of the facility, when the fire safety equipment has been installed, will be in compliance with the

## 24 CFR Ch. II (4-1-03 Edition)

HHS requirements for fire safety and will meet other pertinent health and safety requirements of HHS for providers of services under title XVIII and XIX of the Social Security Act (Medicare and Medicaid). In lieu of a facility being able to meet HHS's requirements for other pertinent health and safety requirements at the time of application, HHS may accept a list of deficiencies from the State Agency responsible for determining compliance with HHS's requirements for other pertinent health and safety requirements for providers of such services along with a plan prepared by the applicant for correcting those deficiencies. In such event, HHS will inform HUD that, if the facility complies with such plan, the facility will meet the applicable health and safety requirements of HHS for providers of services under titles XVIII and XIX of the Social Security Act upon the installation of the fire safety equipment. The architectural exhibits, as approved, by HHS, together with any commitment requirements HHS deems appropriate, must accompany the statement. In the case of Intermediate Care Facilities, the statement by HHS to HUD will be based upon a determination that the facility has been approved in accordance with applicable HHS statutes and regulations, subject to the proper installation of the proposed equipment.

### **§ 232.625 Discrimination prohibited.**

Any contract or subcontract executed for the installation of equipment, or construction of improvements to the project shall provide that there shall be no discrimination against any employee or applicant for employment because of sex, religion, race, color, creed or national origin.

### **§ 232.630 Assurance of completion.**

If the property upon which the fire safety equipment is to be installed is subject to a mortgage insured or held by the Commissioner pursuant to subpart B of this part, the Commissioner may require such assurance of completion of the contract for installation as he may from time to time prescribe.
