

§ 248.405

24 CFR Ch. II (4-1-03 Edition)

§ 248.405 Grants for building resident capacity and funding predevelopment costs.

(a) *General.* Assistance made available under this subpart shall be used for direct assistance grants to resident organizations and community-based nonprofit housing developers and resident councils to assist the acquisition of specific projects (including payment of reasonable administrative expense to participating intermediaries.) Assistance made available under subpart E of this part will be distributed on a noncompetitive basis. HUD will publish a Notice in the FEDERAL REGISTER announcing the availability of assistance, as well as the application requirements and procedures and selection criteria that HUD will use in making the assistance available.

(b) *Allocation.* Thirty percent of the assistance made available under this subpart shall be used for resident capacity grants in accordance with paragraph (d) of this section. The remainder shall be used for predevelopment grants in connection with specific projects in accordance with paragraph (e) of this section.

(c) *Limitation on grant amounts.* A resident capacity grant under paragraph (d) of this section may not exceed \$30,000 per project and a grant under paragraph (e) of this section for predevelopment costs may not exceed \$200,000 per project, exclusive of any fees paid to a participating intermediary by the Commissioner for administering grants under this subpart.

(d) *Resident Capacity grants.* (1) *Use.* Resident capacity grants under paragraph (d) of this section shall be available to eligible applicants to cover expenses for resident outreach, incorporation of a resident organization or council, conducting democratic elections, training, leadership development, legal and other technical assistance to the board of directors, staff and members of the resident organization or council.

(2) *Eligible housing.* Grants under this paragraph (d) of this section may be provided with respect to eligible low income housing for which the owner has filed a notice of intent under subpart B or subpart C of this part.

(e) *Predevelopment grants.* (1) *Use.* Predevelopment grants under paragraph (e) of this section shall be made available to community-based nonprofit housing developers and resident councils to cover the cost of organizing a purchasing entity and pursuing an acquisition, including third party costs for training, development consulting, legal, appraisal, accounting, environmental, architectural and engineering, application fees, and sponsor's staff and overhead costs.

(2) *Eligible housing.* These grants may only be made available with respect to any eligible low income housing project for which the owner has filed a notice of intent to transfer the housing to a qualified purchaser in accordance with § 248.105 or § 248.211, or has filed a notice of intent and entered into a binding agreement to sell the housing to a resident organization or nonprofit organization.

(3) *Phase-in of grant payments.* Grant payments under paragraph (e) of this section shall be made in phases, based on performance benchmarks established by the Commissioner in consultation with intermediaries selected under § 248.415.

(f) *Grant applications.* Grant applications for assistance under paragraphs (d) and (e) of this section shall be received monthly on a rolling basis and approved or rejected on at least a quarterly basis by intermediaries selected under § 248.415(b).

(g) *Appeal.* If an application for assistance under paragraphs (d) or (e) of this section is denied, the applicant shall have the right to appeal the denial to the Commissioner and receive a binding determination within 30 days of the appeal.

§ 248.410 Grants for other purposes.

The Commissioner may provide grants under this subpart E:

(a) To resident-controlled or community-based nonprofit organizations with experience in resident education and organizing for the purpose of conducting community, city or county-wide outreach and training programs to identify and organize residents of eligible low income housing; and

(b) To State and local government agencies and nonprofit intermediaries

for the purpose of carrying out such activities as the Commissioner deems appropriate to further the purposes of this part.

§ 248.415 Delivery of assistance through intermediaries.

(a) *General.* The Commissioner shall approve and disburse assistance under § 248.405 and § 248.410 through eligible intermediaries selected by the Commissioner under paragraph (b) of this section. If the Commissioner does not receive an acceptable proposal from an intermediary offering to administer assistance under this section in a given State, the Commissioner shall administer the program in such State directly.

(b) *Selection of eligible intermediaries.*
(1) *In General.* The Commission shall invite applications from and shall select eligible intermediaries to administer assistance under subpart E of this part through Notices of Funding Availability published in the FEDERAL REGISTER. The process shall include provision for a reasonable administrative fee.

(2) *Priority.* With respect to all forms of grants available under § 248.405, the criteria for selecting eligible intermediaries shall give priority to applications from eligible intermediaries with demonstrated expertise under subpart B or subpart C of this part.

(3) *Criteria.* The criteria developed under this section shall:

(i) Not assign any preference or priority to applications from eligible intermediaries based on their previous participation in administering or receiving Federal grants or loans (but may exclude applicants who have failed to perform under prior contracts of a similar nature);

(ii) Require an applicant to prepare a proposal that demonstrates adequate staffing, qualifications, prior experience, and a plan for participation; and

(iii) Permit an applicant to serve as the administrator of assistance made available under § 248.405(d) and (e), based on the applicant's suitability and interest.

(4) *Geographic coverage.* The Commissioner may select more than one State or regional intermediary for a single State or region. The number of inter-

mediaries chosen for each State or region may be based on the number of eligible low income housing projects in the State or region, provided there is no duplication of geographic coverage by intermediaries in the administration of the direct assistance grant program.

(5) *National nonprofit intermediaries.* National nonprofit intermediaries shall be selected to administer the assistance made available under § 248.405 only with respect to State or regions for which no other eligible intermediary, acceptable to the Commissioner, has submitted a proposal to participate.

(6) *Preference.* With respect to assistance made available under § 248.410, preference shall be given to eligible regional, State and local intermediaries, over national nonprofit organizations.

(c) *Conflicts of interest.* Eligible intermediaries selected under paragraph (b) of this section to disburse assistance under § 248.405 shall certify that they will serve only as delegated program administrators, charged with the responsibility for reviewing and approving grant applications on behalf of the Commissioner. Selected intermediaries shall:

(1) Establish appropriate procedures for grant administration and fiscal management, pursuant to standards established by the Commissioner; and

(2) Receive a reasonable administrative fee, except that they may not provide other services to grant recipients with respect to projects that are the subject of the grant application and may not receive payment, directly or indirectly, from the proceeds of grants they have approved.

§ 248.420 Definitions.

Community-based nonprofit housing developer means a nonprofit community development corporation that:

(1) Has been classified by the Internal Revenue Service as an exempt organization under section 501(c)(3) of the Internal Revenue Code of 1986;

(2) Has been in existence for at least two years prior to the date of the grant application;

(3) Has a record of service to low and moderate income people in the community in which the project is located;
