

**§ 882.124**

(h) *Request for rent increases.* An owner may submit to the PHA a request for rent increase because of increases in operating cost, when the rents to the owner, after adjustments based on provisions in the lease, are insufficient to provide decent, safe and sanitary housing. Such a request shall be supported by an audited financial statement, and the data shall clearly show that failure to obtain additional revenue will result in deterioration of units and loss of decent, safe and sanitary housing for low-income families. The PHA shall inspect the units to determine whether the units are decent, safe and sanitary. Where the need for an adjustment under this paragraph is shown:

(1) Subject to available contract authority and prior approval by the HUD Field Office, the PHA may grant an adjustment to the extent documented and justified for those items of expenses (excluding debt service) for which the owner is responsible under the lease.

(2) The amount of the adjustment must be reasonable when compared with similar items under the Section 8 Existing Housing program.

(3) The adjusted amount for expenses shall not exceed the result of applying the appropriate Section 8 Existing Housing Annual Adjustment Factor (24 CFR part 888) most recently published by HUD in the FEDERAL REGISTER to the appropriate expense base in effect under the lease prior to this adjustment.

(4) The adjustment shall not be retroactive to pay for costs that the owner had previously incurred.

(5) The adjustment shall be effective for a period not to exceed one year.

**§ 882.401 Eligible properties.**

(a) *Eligible properties.* Except as provided in paragraph (b) of this section, housing suitable for moderate rehabilitation as defined in § 882.102 is eligible for inclusion under the Moderate Rehabilitation Program. Existing structures of various types may be appropriate for this program, including single-family houses, multi-family structures and group homes.

(b) *Ineligible properties.* (1) Nursing homes, units within the grounds of penal, reformatory, medical, mental and similar public or private institutions, and facilities providing continual psychiatric, medical or nursing services are not eligible for assistance under the Moderate Rehabilitation Program.

(2) Housing owned by a State or unit of general local government is not eligible for assistance under this program.

(3) High rise elevator projects for families with children may not be utilized unless HUD determines there is no practical alternative. (HUD may make this determination for a locality's Moderate Rehabilitation Program in whole or in part and need not review each building on a case-by-case basis.)

(4) Single room occupancy (SRO) housing may not be utilized unless:

(i) The property is located in an area in which there is a significant demand for such units as determined by the HUD Field Office; and

(ii) The PHA and the unit of general local government in which the property is located approve of such units being utilized for such purpose.

(5) No Section 8 assistance may be provided with respect to any unit occupied by an Owner; however, cooperatives will be considered as rental housing for purposes of the Moderate Rehabilitation Program.
