§ 882.809 Waivers.

Section 5.405(b) of this title does not apply to this program.

§ 882.810 Displacement, relocation, and acquisition.

(a) *Minimizing displacement.* (1) Consistent with the other goals and objectives of this part, owners must assure that they have taken all reasonable steps to minimize the displacement of persons (households, businesses, non-profit organizations, and farms) as a result of a project assisted under this part. To the extent feasible, residential tenants must be provided a reasonable opportunity to lease and occupy a suitable, decent, safe, sanitary, and affordable dwelling unit in the project upon its completion.

(2) Whenever a building/complex is rehabilitated, and some but not all of the rehabilitated units will be assisted upon completion of the rehabilitation, the relocation requirements described in this section apply to the occupants of each rehabilitated unit, whether or not Section 8 assistance will be provided for the unit.

(b) *Temporary relocation.* The following policies cover residential tenants who will not be required to move permanently but who must relocate temporarily for the project. Such tenants must be provided:

(1) Reimbursement for all reasonable out-of-pocket expenses incurred in connection with the temporary relocation;

(2) Appropriate advisory services, including reasonable advance written notice of:

(i) The date and approximate duration of the temporary relocation;

(ii) The location of the suitable, decent, safe, and sanitary dwelling to be made available for the temporary period;

(iii) The terms and conditions under which the tenant may lease and occupy a suitable, decent, safe, and sanitary

dwelling in the project upon completion; and

(iv) The assistance required under paragraph (b)(1) of this section.

(c) *Relocation assistance for displaced persons.* A “displaced person” (defined in paragraph (g) of this section) must be provided relocation assistance at the levels described in, and in accordance with the requirements of, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA) (42 U.S.C. 4601-4655) and implementing regulations in 49 CFR part 24. A displaced person must be advised of his or her rights under the Fair Housing Act (42 U.S.C. 3601-19) and, if the comparable replacement dwelling used to establish the amount of the replacement housing payment to be provided to a minority is located in an area of minority concentration, such person also must be given, if possible, referrals to comparable and suitable, decent, safe, and sanitary replacement dwellings not located in such areas.

(d) *Real property acquisition requirements.* The acquisition of real property for a project is subject to the URA and the requirements described in 49 CFR part 24, subpart B.

(e) *Appeals.* A person who disagrees with the HA’s determination concerning whether the person qualifies as a displaced person, or the amount of relocation assistance for which the person is eligible, may file a written appeal of that determination with the HA. A person who is dissatisfied with the HA’s determination on his or her appeal may submit a written request for review of that determination to the HUD field office.

(f) *Responsibility of HA.* (1) The HA must certify (i.e., provide assurance of compliance as required by 49 CFR part 24) that it will comply with the URA, the regulations in 49 CFR part 24, and the requirements of this section, and must ensure such compliance notwithstanding any third party’s contractual obligation to the HA to comply with these provisions.

(2) The cost of required relocation assistance is an eligible project cost in the same manner and to the same extent as other project costs. Such costs may be paid for with local public funds
