The contributions must total not less than 25 percent of the funds drawn from the jurisdiction's HOME Investment Trust Fund Treasury account in that fiscal year, excluding funds drawn for purposes identified in paragraph (c) of this section.

(b) *Shortfall amount from State or local resources.* Amounts made available under § 92.102(b)(2) from the resources of a State (other than a transfer of the State's formula allocation), the local participating jurisdiction, or both, to enable the local participating jurisdiction to meet the participation threshold amount are not required to be matched and do not constitute matching contributions.

(1) A tenant who is assisted with HOME funds;

(2) A HOME-assisted unit;

(3) The portion of a project that is not HOME-assisted provided that at least 50 percent of the housing units in the project are HOME-assisted. If the match contribution to the portion of the project that is not HOME-assisted meets the affordable housing requirements of § 92.219(b)(2), the percentage requirement for HOME-assisted units does not apply; or

(4) The commercial space in a mixed-use project in which at least 51 percent of the floor space is residential provided that at least 50 percent of the dwelling units are HOME-assisted.

This written agreement must be executed before any match contributions may be made.

§ 92.220 Form of matching contribution.

(a) *Eligible forms.* Matching contributions must be made from nonfederal resources and may be in the form of one or more of the following:

(1) *Cash contributions from nonfederal sources.* To be recognized as a cash contribution, funds must be contributed permanently to the HOME program (or to affordable housing not assisted with HOME funds), regardless of the form of investment provided to the project. Therefore, to receive match credit for the full amount of a loan to a HOME project, all repayment, interest, or other return on investment of the contribution must be deposited in the local account of the participating jurisdiction's HOME Investment Trust Fund to be used for eligible HOME ac-

Repayments of matching contributions in affordable housing projects, as defined in § 92.219(b), that are not HOME-assisted, must be made to the local account of the participating jurisdiction's HOME Investment Trust Fund to get match credit for the full loan amount.

(i) A cash contribution may be made by the participating jurisdiction, non-Federal public entities, private entities, or individuals, except as prohibited under paragraph (b)(4) of this section. A cash contribution made to a nonprofit organization for use in a HOME project may be counted as a matching contribution.

(ii) A cash contribution may be made from program income (as defined by 24 CFR 85.25(b)) from a Federal grant earned after the end of the award period if no Federal requirements govern the disposition of the program income. Included in this category are repayments from closed out grants under the Urban Development Action Grant Program (24 CFR part 570, subpart G) and the Housing Development Grant Program (24 CFR part 850), and from the Rental Rehabilitation Grant Program (24 CFR part 511) after all fiscal year Rental Rehabilitation grants have been closed out.

(iii) The grant equivalent of a below-market interest rate loan to the project that is not repayable to the participating jurisdiction's HOME Investment Trust Fund may be counted as a cash contribution, as follows:

(A) If the loan is made from funds borrowed by a jurisdiction or public agency or corporation the contribution is the present discounted cash value of the difference between the payments to be made on the borrowed funds and payments to be received from the loan to the project based on a discount rate equal to the interest rate on the borrowed funds.

(B) If the loan is made from funds other than funds borrowed by a jurisdiction or public agency or corporation, the contribution is the present
