(a) *Responsibilities.* The participating jurisdiction is responsible for managing the day to day operations of its HOME program, ensuring that HOME funds are used in accordance with all program requirements and written agreements, and taking appropriate action when performance problems arise. The use of State recipients, subrecipients, or contractors does not relieve

the participating jurisdiction of this responsibility. The performance of each contractor and subrecipient must be reviewed at least annually.

(b) *Executing a written agreement.* Before disbursing any HOME funds to any entity, the participating jurisdiction must enter into a written agreement with that entity. Before disbursing any HOME funds to any entity, a State recipient, subrecipient, or contractor which is administering all or a part of the HOME program on behalf of the participating jurisdiction, must also enter into a written agreement with that entity. The written agreement must ensure compliance with the requirements of this part.

(c) *Provisions in written agreements.* The contents of the agreement may vary depending upon the role the entity is asked to assume or the type of project undertaken. This section details basic requirements by role and the minimum provisions that must be included in a written agreement.

(1) *State recipient.* The provisions in the written agreement between the State and a State recipient will depend on the program functions that the State specifies the State recipient will carry out in accordance with §92.201(b).

(i) *Use of the HOME funds.* The agreement must describe the use of the HOME funds, including the tasks to be performed, a schedule for completing the tasks, and a budget. These items must be in sufficient detail to provide a sound basis for the State to effectively monitor performance under the agreement.

(ii) *Affordability.* The agreement must require housing assisted with HOME funds to meet the affordability requirements of §92.252 or §92.254, as applicable, and must require repayment of the funds if the housing does not meet the affordability requirements for the specified time period.

(iv) *Uniform administrative requirements.* The agreement must require the State recipient to comply with applicable uniform administrative requirements, as described in §92.505.

(vii) *Affirmative marketing.* The agreement must specify the State recipient's affirmative marketing responsibilities in accordance with §92.351, if the HOME funds received by the State recipient will be used for housing containing five or more assisted units.

(viii) *Requests for disbursement of funds.* The agreement must specify that the State recipient may not request disbursement of HOME funds under this agreement until the funds are needed for payment of eligible costs. The amount of each request must be limited to the amount needed. Program income must be disbursed before the State recipient requests funds from the State.

(ix) *Records and reports.* The agreement must specify the particular records that must be maintained and the information or reports that must be submitted in order to assist the State in meeting its recordkeeping and reporting requirements.

(x) *Enforcement of the agreement.* The agreement must provide for a means of enforcement of affordable housing requirements by the State or the intended beneficiaries, if the State recipient will be the owner at project completion of the affordable housing. The means of enforcement may include liens on real property, deed restrictions, or covenants running with the land. The affordability requirements in §92.252 must be enforced by deed restriction. In addition, the agreement must specify remedies for breach of the HOME requirements. The agreement must specify that, in accordance with 24 CFR 85.43, suspension or termination

(xi) If the State recipient provides funds to for-profit owners or developers, nonprofit owners or developers, subrecipients, homeowners, homebuyers, tenants receiving tenant-based rental assistance, or contractors who are providing services to the State recipient, the State recipient must have a written agreement with such entities which meets the requirements of this section.

(xii) *Duration of the agreement.* The duration of the agreement will depend on which functions the State recipient performs (e.g., whether the State recipient or the State has responsibility for monitoring rental projects for the period of affordability) and which activities are funded under the agreement.

(2) *Subrecipient.* A subrecipient is a public agency or nonprofit selected by the participating jurisdiction to administer all or a portion of the participating jurisdiction's HOME Program. The agreement between the participating jurisdiction and the subrecipient must include:

The amount of each request must be limited to the amount needed. Program income must be disbursed before the subrecipient requests funds from the participating jurisdiction.

(vii) *Reversion of assets.* The agreement must specify that upon expiration of the agreement, the subrecipient must transfer to the participating jurisdiction any HOME funds on hand at the time of expiration and any accounts receivable attributable to the use of HOME funds.

If the owner or developer is undertaking rental projects, the agreement must establish the initial rents and the procedures for rent increases.
